Instructions To Bidders (ITB)
Instructions To Bidders (ITB)

A. Introduction

1. Requirements for participation in-tenders

In order to submit the online offer on CIL’s e-Procurement portal https://coalindiatenders.nic.in, the bidders should meet the following requirements:

a) PC with internet connectivity. It will be the bidder’s responsibility to comply with the system requirement i.e. hardware, software and internet connectivity at bidder’s premises to access the e-Procurement website. Under no circumstances, BCCL shall be liable to the bidders for any direct/indirect loss or damages incurred by them arising out of incorrect use of the e-Procurement system or internet connectivity failures.

b) Online Enrollment/Registration with CIL’s e-Procurement portal (https://coalindiatenders.nic.in) with valid Digital Signature Certificate (DSC). The online enrollment/registration of the bidders on the portal is free of cost and one time activity only. The registration should be in the name of bidder whereas DSC holder may be either bidder himself or his duly authorized person. The DSC of the person bidding online on behalf of bidder (the bidding firm) should be mapped / registered with the name of the bidding firm. It shall be the responsibility of the tenderer to ensure that they get registered with the CIL’s e-Procurement portal well in advance and download the documents before the last date and time for the same.

c) The bidders who are eligible for purchase preference for being an MSE / 'Make in India' bidder / Domestically Manufactured Electronic Products bidder/ Ancillary should enroll their name in Coal India's e-Procurement Portal as "Preferential Bidder" either by modifying their profile or while making "Online Bidder Enrollment". The necessary documents in support of the eligibility for purchase preference should also be uploaded against the specified tender to avail the benefits.

d) Class II or Class III Digital Signature Certificate (DSC).

2. Digital Signature Certificate (DSC)

Bidders may obtain Digital Signature Certificate from any Certifying Authority authorised by Controller of Certifying Authority (CCA) and which can be traced up to the chain of trust to the Root Certificate of CCA.

3. Help for participating in-tender

The detailed method for participating in the e-procurement is available on links “Help for Contractor” and “Bidders Manual Kit” in CIL’s e-Procurement portal. The bidders may also seek help from Mr. Chintan Mahtha at 09431746434 or 24 x 7 Help Desk Number : 0120-4200462, 0120-4001002. E-mail: support-eproc@gov.in.

4. Communication

All communication sent by BCCL as well as the e-procurement service provider by post/fax/e-mail/SMS shall be deemed as valid communication. The bidder must provide complete address, fax number, e-mail id and mobile number.
Section II - Instructions To Bidders (ITB)

B. Eligibility of Bidders

5. Eligible Bidders

5.1 The bidders must satisfy any of the following conditions to be considered as eligible bidder against the tender (the bidders should clearly indicate in their offer the sub-clause against which they claim to be qualified as eligible bidder):

i) **Foreign Manufacturers:** Foreign Manufacturers who manufacture the equipment of tendered capacity or higher are eligible to quote against the tender.

ii) **Indigenous Manufacturers:** Indigenous manufacturers who manufacture the equipment of tendered capacity or higher are eligible to quote against the tender.

iii) **Indian Agent:** Authorised Indian Agent of a foreign manufacturer or indigenous manufacturer is also eligible to quote on behalf of its principal against the tender, in case manufacturer as a matter of corporate policy does not quote directly and if, subsequently, at any stage, it is found that it has quoted directly to any organization, it shall be liable for penal action as per provision of this Manual. However, in such case, authorized Indian Agent shall have to upload scanned copy of tender specific Manufacturer’s Authorization as per Annexure-4, Sample Forms, Sec-VII, signed and stamped by the manufacturer to quote against the BCCL Tender, indicating the Tender Reference No. and date along with the offer. The authorised Indian Agent is to upload scanned copies of details in respect of its organization along with the copies of document like certificate of incorporation / registration etc. along with the offer. The firm (Indian Agent) should be in existence for 3 years on the date of tender opening, irrespective of date of appointment as Indian Agent.

In case an Indian Agent is participating in a tender on behalf of one manufacturer, it is not allowed to participate / quote on behalf of another manufacturer in this tender or in a parallel tender for the same item. Further, in a tender, either manufacturer can quote or its authorised Indian Agent can quote but both are not allowed to participate/ quote in the same tender. Also one manufacturer can authorise only one agent to quote in the same tender. All the bids, not quoted as per the above guidelines, will be rejected.

iv) **Indian Office or Indian Subsidiary of a Foreign/Indian Manufacturer:**
Indian Office or Indian Subsidiary of a Foreign/ Indian Manufacturer is also eligible to quote. In such case the bidder shall upload relevant documents to prove their status as Indian office of the foreign manufacturer or Indian subsidiary of the foreign / Indian manufacturer along with tender specific Manufacturer’s Authorization as per Annexure-4, Sample Forms, Sec-VII, signed and stamped by the manufacturer to quote against the BCCL Tender, indicating the Tender Reference No. and date.

v) **Indigenous Manufacturing entity of foreign manufacturer and bidding as indigenous manufacturer:**
Indigenous / Indian manufacturing entity of foreign manufacturer who have manufactured, supplied and serviced same or similar equipment are eligible to offer having valid legal document / agreement copy with foreign (principal) manufacturer for the equipment being offered. The same shall be valid on the
Section II - Instructions To Bidders (ITB)

date of tender opening and should remain valid up to supply and commissioning of the equipment. Principal foreign manufacturer shall have to give an undertaking for needful performance of the equipment with the indigenization carried out by the indigenous manufacturer in the quoted model of the foreign manufacturer.

The bidder & its foreign (principal) manufacturer should confirm to ensure supply of spares, consumables and service support for smooth running of the equipment during its lifetime.

A notarized copy of agreement / MoU should be submitted along with the offer to ensure supply of spares and service support running of the equipment throughout its life.

5.2 The bidder or its Indian Subsidiary / Office will have After Sales Service Support facilities in India like Depot/Warehouse for supply of spare parts, Workshop facilities for servicing and repair of assemblies, sub-assemblies and equipment, availability of trained technical manpower etc., training facilities for providing training to BCCL’s personnel for the offered capacity and type of equipment.

In case the bidder does not have the above After Sales Service Support facilities in India, Depot/Warehouse for supply of spare parts, Workshop facilities for servicing and repair of assemblies, sub-assemblies and equipment, availability of trained technical manpower etc., training facilities for providing training to CIL’s personnel, wherever required, additional Performance Bank Guarantee for the 30% value of the total landed value of the contract including all taxes, duties and other costs and charges shall have to be submitted as per relevant clauses in SCC, of the bid document which will be released as per provisions contained in the same clause. This 30% PBG will be released after establishment of After Sales Service Support facilities in India subject to confirmation of the same by concerned Head of Technical Department. However, the supplier shall have to submit PBG for 10% of the total contract value to be kept valid for the remaining period of the contract plus 3 months processing period before release of 30% PBG. This 10% PBG will be released after satisfactory performance of all equipment/ items and fulfillment of contractual obligations including warranty obligations.

6. Collaboration Agreements / Licensee Agreement

(i) Collaboration Agreements: In case of collaboration agreements with the principals, the collaboration agreement should be valid on date of tender opening and should also remain valid at least up to supply and commissioning of the last equipment covered in the contract. However, the principal manufacturer has to confirm that supply of spares & consumables and service support will be ensured for smooth running of the equipment during its lifetime. In the event of termination of collaboration agreement, the principal manufacturer will be responsible for the fulfillment of contractual obligations either by itself or through alternate collaborations / arrangements.

(ii) Licensee Agreement: Indigenous/Indian manufacturers who have manufactured, supplied and serviced same or similar equipment are eligible to offer with the license agreement from the company having valid Intellectual Property Right (IPR right) for the equipment being offered.

In case of bidder participating under License agreement, the same should be valid on date of tender opening and should also remain valid up to supply, and commissioning of the equipment. The bidder and licensor having IPR rights for the equipment being
offered should confirm to ensure supply of spares & consumables and service support for smooth running of the equipment during its lifetime. The agreements/ MOUs evincing License agreement of the bidder and licensor must be a document registered in India under the provisions of the Indian Registration Act, 1908, irrespective of the likelihood that the same may not be compulsorily registered under the provision of Section 17 of the said Act. A notarized copy of License agreement/MOU, duly registered in India as above and an undertaking of bidder and licensor having IPR for the equipment being offered to ensure supply _______ of _______ spares _______ & _______ consumables _______ and _______ service support for smooth running of the equipment throughout its lifetime must be uploaded along with the offer.

A confirmation from the parent company who controls the IPR that is permitting the bidder to use the same for the instant tender is required to be submitted with the offer.

**Note: Qualification Criteria for Bidders**

**For Equipment:** The bidder should be in a position to offer and supply in specified delivery period at least 50% of the total quantity/number for which the bids have been invited. **For other items:** The bidder should be in a position to offer and supply in specific delivery period at least 25% of the total quantity for which the bid has been invited.

**Offers from bidders who fail to comply with the qualification criteria above shall be considered unresponsive.**

**7 Provenness Criteria**

Procurement against this tender shall be made only from proven Excavator manufacturer. Equipment offered by a bidder shall be considered proven as detailed herein below. The bidders should clearly indicate in their offer the sub-clause against which they claim to have quoted for equipment.

72 The equipment offered by the tenderer shall be considered proven provided the one nos. of quoted model or similar equipment, as defined below, must have been supplied by the bidder in India to mining industry and/ or to the other Industries (Private or Government/ Public Sector Undertaking) and all of them performed satisfactorily for a minimum period of one years from the date of commissioning (window period). The performance of only those equipment would be considered for assessing provenness which have been commissioned which have been commissioned one years prior to the date of opening of tender but not prior to 5 years from the date of opening of tender. Note: In case of Trial Orders placed by CIL and Subsidiaries, the Trial Order quantities will be considered for provenness.

72 In case the quoted model or similar equipment has not been supplied by the bidder in India or if supplied and commissioned in India but the same has not completed required years of performance for provenness as mentioned above, the offered equipment will be considered proven if the minimum worldwide population is of one nos. of offered or similar equipment or combination thereof which have been commissioned one years prior to the date of opening of tender but not prior to 5 years from the date of opening of tender and all of them performed satisfactorily for a minimum period of one years from the date of commissioning. The worldwide population of the bidder will be considered for provenness only when the bidder gives an undertaking that it has not supplied the quoted model or similar equipment in India or if supplied and commissioned in India, the same has not
completed required years of performance for provenness as mentioned above at sub clause 7.1.

7.3 In case the indigenous manufacturer is quoting the same type & model of the equipment as supplied by their foreign collaborator worldwide in the past and the quoted model of indigenous manufacturer has either not been supplied in India or if supplied and commissioned in India, but the same has not completed the required years of performance for provenness as mentioned above, the quoted model will be considered proven if the minimum worldwide population is of one nos. of quoted model or similar equipment or combination thereof which have been commissioned 1 years prior to the date of opening of tender but not prior to 5 years from the date of opening of tender and all of them performed satisfactorily for a minimum period of one years from the date of commissioning. However, for worldwide population, foreign collaborator’s experience of supplying the offered or similar equipment worldwide shall be considered only if the indigenous manufacturer submits notarized copy of their collaboration agreement with the foreign collaborator which should be valid as on the date of opening of the tender and should also remain valid at least upto supply and commissioning of the last equipment covered in the contract. However, the principal manufacturer will confirm to ensure supply of spares & consumables and service support for smooth running of the equipment throughout its life. Further, if any indigenous content is added by the indigenous manufacturer in the quoted model of the equipment, the foreign collaborator will give an undertaking for successful performance of the equipment with the indigenization carried out by the indigenous manufacturer during lifetime of the equipment.

7.4 “Satisfactory Performance” means the supplied equipment must have achieved the guaranteed annual availability, if any, as per the performance guarantee clause of the supply orders/contracts for a minimum period of three years/ one year (as the case may be) from the date of commissioning. In case supply orders/contracts do not have provision for guaranteed annual availability, the bidder will submit satisfactory performance report issued by end users as per benchmark regarding performance of equipment, if any, incorporated in the supply orders/contracts against which these equipment were supplied. In case, the Performance Report(s) of the End-User(s) is not available, the bidder shall submit self-certification claiming satisfactory performance of the equipment supplied.

7.5 “Similar Equipment” shall be such equipment, which fulfills the following:
   a) Performs almost identical operations as the quoted model.
   b) Should be equal to or higher than the tendered capacity.
   c) Uses sub-components, sub-systems and major assemblies of substantially similar design & construction to the model quoted — only ratings/specifications may differ (Lower or Higher).

7.6 Acceptance Criteria for Similar Equipment
I. If the bidder claims provenness of the quoted model based on similar equipment as per sub clause-7.5 above, then the similar equipment should have performed satisfactorily for a minimum period of one (01) years from the date of commissioning along with satisfactory performance of quoted model for a minimum period of one (01) year from the date of commissioning within the window period as indicated above.

II. If the bidder claims provenness of the quoted model based on similar equipment as per sub clause-7.5 above and the similar equipment has performed satisfactorily for a minimum period of one (01) years from the date of commissioning but quoted model has not worked for a minimum period of one (01) year from the date of commissioning within the window period as indicated above, then the offer may be accepted subject to following conditions:
   a. (i) The successful bidder will be allowed to supply the quantity of first lot as indicated in Schedule of Requirement.
   ii) The firm shall be required to furnish additional Performance Bank Guarantee of 100% of the total landed value of equipment along with spares & consumables for warranty period for the quantity of first lot.
b. (i) The firm will have the option to supply the second lot if they so desire.
   (ii) They will submit the additional Performance Bank Guarantee of 100% of total landed value of equipment along with spares & consumables for warranty period for the quantity of second lot also.

c. On satisfactory performance of all the equipment of first lot for one year from the date of commissioning [to be certified by the General Manager(Excavation)/HOD of the subsidiary company], clearance shall be obtained from the order issuing authority for supply of the remaining quantity, if any, as per Schedule of Requirement. The performance against supply of equipment of first lot only shall be considered for assessing the performance for issuing clearance to supply balance quantity covered in the contract. The performance of second lot (if any) shall not be considered for assessing the performance for issuing clearance to supply balance quantity covered in the contract.

d. The additional 100% Performance Bank Guarantee shall be returned only after satisfactory performance of all the equipment supplied in first lot for one year from the date of commissioning. The additional 100% Performance Bank Guarantee submitted for the equipment supplied in the second lot, if any, shall be returned after satisfactory performance of all the equipment supplied in second lot for one year from the date of commissioning.

e. The original 10% PBG for the total contract value will be retained for entire contract period as per PBG clause of NIT.

Note:

A) In case of unsuccessful performance of the first lot of equipment supplied by the firms who qualifies as per above sub clause 7.6.II, the following shall be applicable:

i) The 100% Additional Performance Bank Guarantee for the first lot of equipment submitted as per sub clause 7.6.II (a) (ii) shall be encashed by BCCL. Consequent upon the encashment of 100% bank guarantee due to non-achievement of stipulated minimum availability percentage, the Supplier shall take back the equipment at no cost to the Purchaser and the contract for the balance quantity shall be cancelled. Further, in case of unsuccessful performance of the first lot of equipment, 100% Performance Bank Guarantee submitted for the second lot, if any, will also be encashed and the supplier will be advised to take back the equipment of second lot also.

ii) The original 10% performance bank guarantee shall be returned to the supplier after recovery of penalty for non-achievement of guaranteed availability in respect of both first and second lot of equipment.

iii) The performance of any individual equipment under this clause shall not be considered for provenness in future tenders of CIL & subsidiaries for any capacity of this type of equipment.

iv) In case of equipment imported under Project Concessional Duty (PCD), the amount of Customs Duty Concession i.e. the differential amount of Normal Customs Duty (NCDJ and PCD availed during import shall be recovered from the supplier with interest for refund to the Customs Authorities. The supplier shall deposit such amount to the purchaser on demand else the same shall be recovered from the Security Deposit Bank Guarantee / Performance Bank Guarantee of the supplier.

B) In case of unsuccessful performance of any of the equipment supplied in the second lot, the 100% Performance Bank Guarantee submitted for second lot of the equipment shall be encashed and supplier will be advised to take back all the equipment of second lot. Further, recovery of penalty for non-achievement of guaranteed availability shall also be made. However, the clearance issued for supply of balance quantity of the contract based on satisfactory performance of the first lot, will remain valid. The provisions mentioned under Note (A) (iii) and (iv) above will also be applicable in this case.

8. Cost of Bidding

The bidder shall bear all costs associated with the preparation and online submission of bid, and Bharat Coking India Limited (BCCL), herein after referred to as “the Purchaser”, will in no case be responsible or liable for those costs, regardless of the conduct or outcome of the bidding process.

(a) The Cover-II has two folders-BOQ template and BOQ 2 folder. The Price-Bid containing the Bill of Quantity (BOQ) in Excel format will be available on CIL’s e-procurement portal as BOQ template. This will be downloaded by the bidder who will quote the rates, taxes and other cost elements as provided in the format for the offered items. Thereafter, the bidder will upload the same Excel file during bid submission in cover-II. The Price Bid which is incomplete and not submitted as per instruction given above will be rejected. Bidders may refer relevant clauses of ITB section for Bid Prices and Bid Currencies.

**BOQ template:** The Price Bid containing the Bill of Quantity (BOQ) is in Excel Format will be uploaded during tender creation. The Price Bid/BOQ comprises following Sheets:

I. BOQ: This is Top Sheet of the Price Bid. Bidders are not required to fill up any data or Price in this sheet. Bidders are only required to select the Currency in which they desire to quote prices from the dropout menu available in this sheet (INR or Other Currency).

II. a) Depending on the selection of Currency made in the Top Sheet/BOQ, following options shall be available:

(i) Bid_INR: - In case Currency selected as “INR”,
(ii) Bid_Other: - In case currency is selected as “Other Currency”.

Submission of information/Price in ‘Bid_INR’ or ‘Bid_Other’: The Price bid/BOQ containing the above Sheets in Excel File will be downloaded by the bidder and he will quote the rates, taxes & duties etc. for his offered items in the same Excel file along with the price. Thereafter, the bidder must upload the same Excel file during bid submission in Cover-
II. Price is to be quoted in the following manner:

(b) **Bidders who desire to submit offer only in “INR”:** The bidders will select the Type of Currency as “INR” in the BOQ. The bidders are required to fill all required data and Price Elements as indicated in the BID_INR Sheet.

Note: If Bidder quotes only in INR then select Currency Conversion against each Item as “Full Conversion” and select quoted currency as INR.

(c) **Bidders who desire to submit in “Foreign Currency”:** Foreign Bidders who are not willing to quote in INR have the choice to submit offer in one of the following currencies: (a) US Dollar (US$); (b) Euro €; (c) GBP £ (d) Japanese Yen ¥ and (e) Australian Dollar. The bidders are required to fill all required data and Price Elements as indicated in the BID_OTHERS Sheet.

Note:

i. If Bidder quotes only in any other foreign currency then select Currency Conversion against each Item as “Full Conversion” and select quoted foreign currency.

ii. However, the Inland transportation & insurance and all other local costs to clear goods through Customs and incidental to delivery up to Final Place of Destination should be quoted in INR Only in Bid_Other sheet in the relevant fields.

iii. The bidders are advised to quote rates of imported equipment in foreign currency only. The payment of imported equipment shall be made directly to the manufacturer through LC.

(d) **BIDDERS WHO CHOOSE TO SUBMIT OFFER IN “Multi Currency” (INR and one other specified currency):**

In case any Foreign Bidder or their Indian Agent/ Dealer/ Distributor is willing to quote for Equipment in “Foreign Currency” and any of the other Price Components (Like Erection & Commissioning Special Tools or Spares etc.) in INR, such bidders will choose other currency as any of the following currencies: (a) US Dollar (US$); (b) Euro € ; (c) GBP £ (d) Japanese Yen ¥ and (e) Australian Dollar during the process of submission of Bid.

Note:

i. If Bidder quotes in INR and one other foreign currency then select Currency Conversion against each Item as “Partial Conversion” and select quoted foreign currency.

ii. However, the Inland transportation & insurance and all other local costs to clear goods through Customs and incidental to delivery up to Final Place of Destination should be quoted in INR Only in Bid_Other sheet in the relevant fields.

For filling the BOQ/ Price Bid following procedure is to be adopted by the bidder:

x) **For the Equipment Portion to be quoted in “Foreign Currency”:** Initially bidders will select the Type of Currency as “OTHER CURRENCY” in the BOQ. The bidders are then required to fill all required data and Price Elements corresponding to the component to be offered in Other Currency as indicated in the said Sheet.

y) **For the Cost Components to be quoted in “INR”:** After filling the Equipment Portion in Sheet ‘Bid_Other’ the bidder will return to sheet BOQ and select the currency as “INR” in the BOQ for the elements which are to be quoted in INR. The bidders are required to fill all required data and Price Elements corresponding to the component to be offered in INR as indicated in the said Sheet.

2) In case the foreign bidders are willing to quote price of Spares & Consumables in both the currencies, then for filling the Per Equipment Cost of these spares foreign currency
part they should use only Bid_Other for the portion of spares quoted in INR per equipment cost is to be filled in Bid_INR. However, the Inland transportation & insurance and all other local costs to clear goods through Customs and incidental to delivery up to Final Place of Destination should be quoted in INR Only in Bid_Other sheet in the relevant fields.

(e) **Price of Special Tools (If quoted separately):** In case bidders are quoting price separately for Special Tools, they should indicate the total Basic Cost/ Per Set in the Bid_Spl.tools. Per equipment cost for Special Tool is to be indicated in the relevant col./space of Bid_INR or Bid_Other as the case may be.

Per equipment cost for Special Tool = \{\text{Total Cost of one set of Special Tools} \times \text{Total Sets of Special Tools required}\} / (\text{Total No. of Equipment i.e. 12}).

(f) **Bid_Warranty:** – In this sheet bidders are required to indicate the details of all Spares & Consumables for the warranty period with Price as per requirement of the NIT. Quantity and Unit rate of items/ spares must be indicated. Currency in which prices are indicated in this sheet must be specified at the relevant space. Total Cost (Basic) of the offered Spares & Consumables for the warranty period is to be filled in corresponding space provided in the ‘Bid_INR’ or ‘Bid_Other depending on the currency in which these spares has been offered.

(g) **Bid_Beyond Warranty:** – In this sheet bidders are required to indicate the details of Spares & Consumables for Six Years beyond warranty period with price as per requirement of the NIT. Quantity, Unit of Measurement and Unit rate of items/ spares must be indicated. Currency in which prices are indicated in this sheet must be specified at the relevant space. Total Cost (Basic) of the offered Spares & Consumables for Six Years beyond warranty period with price is to be filled in the ‘Bid_INR’ or ‘Bid_Other depending on the currency in which these spares has been offered.

**Note:** In case, the applicable rate of GST is different for different Spares & Consumables, the bidders are required to mention the applicable rate of GST for each item and calculate the GST Amount on Extended Value. Then, the corresponding ratio (in %age) of total GST to total extended value is to be mentioned in relevant column of **BID_INR** or **Bid_Other**. For example:

**NOTE:** The price for determining status of the bidders shall be automatically calculated by the system based on the inputs values provided by respective bidder in their price bid.

Bidder must indicate all the price elements of Cost which are applicable in their case, as provided in the relevant Price Bid Format. In case any of the Cell in Price Bid Format pertaining to any cost element is left blank or shown as 0.00, then that Element shall be treated as Included in Basic Price/NIL and in case such cost is applicable/payable extraover the Basic Price the same shall be borne by the seller in theevent of placement of order. BCCL will not entertain any claim whatsoever for
additional payment on account of any of such price elements for which value is indicated Nil or Corresponding Cell is left Blank. However, in case “Basic Price” of Equipment is indicated as 0.00 / Nil, the Bid shall be treated as non-responsive for that item. The procurement shall be made only from the bidders registered under GST. As such for participation in this tender bidders must be registered under GST. If bidder is eligible for lower than the normal rate or bidder has opted for composition Scheme, then bidder has to upload the authenticated document towards such exemption online & furnish the authentic documents along with certificate of practicing CA/CMA/CS clearly mentioned that Bidder is eligible to opt the composition/ any other scheme/exemption and fulfilled all the condition as mentioned in notification in this regard.

Bidder opted for composition scheme is not allowed to quote GST rate in BOQ/Price Bid as Bidder opted for composition scheme is not entitled to claim GST from customer (BCCL) under section 10 of GST Act 2017. However, INPUT TAX CREDIT will not available to BCCL if bidder has opted composition scheme to deposit GST under section 10 of CGST Act, 2017.

Both the covers–Cover-I ‘Techno-Commercial Bid’ and Cover-II ‘Price Bid’ are to be uploaded in the e-procurement portal before the last date and time for submission of onlinebid.

Scanned copies (PDF) of the complete documents duly filled in, signed, stamped and notarized (if required) shall be uploaded along with the offer as per tender requirements at relevant spaces / folders in Cover-I. All documents attached should be Self-Certified to be True Copies of the original, signed by the authorized signatory of the bidder with the Company's seal; however, some documents may require attestation by Notary Public as per instructions given in the relevant clauses of the tender document. Bidders are suggested to scan the documents in 100 DPI for clarity & easy uploading.

In case bidders upload copies of registration certificate of NSIC/BIS License and Approval certificates issued by various Statutory Bodies of Govt. of India, all such documents shall be duly attested by a Notary Public.

The offer should be submitted strictly as per the procedures, terms & conditions laid down in the tender document, failing which the offer may not be considered. Bids having terms and conditions which are in deviation to the tender terms are liable for rejection.

No offline bid shall be accepted. Offer received through Post, Courier, Fax, Telegram or E-mail will not be considered.

Submission of Forged/Tampered Documents: Based on undertaking furnished by the bidder in its Letter of Bid, certifying the authenticity and statements made in the bid as well as documentary support of such statements submitted with online bid against the tender, BCCL, while carrying out evaluation of the offer, shall consider the scanned copies of the documents without any verification with the original. However, BCCL reserves the right to verify such documents with the original, if necessary, at a later stage for which the bidder shall have to submit the original documents to BCCL on demand. If at any point of time during procurement process or subsequently, any information or document submitted by the bidder, is found to be false/incorrect/forged/tampered in any way, the total responsibility shall lay with the bidder and BCCL reserves the full right to take penal action as may be deemed fit including rejection.
of the offer and / or banning the bidder in BCCL for future tenders. The penal action may include termination of contract/ forfeiture of all dues including EMD/Security Deposit/ banning of the firm along with all partners of the firm as per provisions of tender document/Purchase Manual of CIL/Provisions of law in force. Further, suitable action may be taken for claiming damages from the bidder.

15. **Period of Validity of Bids**

The bids (Techno-Commercial Bid and Price-Bid) shall remain valid for a period of 120 days from the day of opening of Techno-Commercial Bid. A bid valid for a shorter period may be rejected by the purchaser.

16. **Earnest Money Deposit (EMD)**

**A. Submission of EMD:**

1. **In Indian Rupees (INR):**

   The value of the Earnest Money to be submitted by the tenderer shall be Rs.100 Lakhs (Rupees Hundred Lakhs only). The Earnest Money has to be deposited online only within the last date and time for submission of online offer, failing which the online offer will not be considered.

   Earnest Money can be deposited by following modes only:

   (a) Online fund transfer through Net banking using Payment Gateway available on portal.

   (b) NEFT/ RTGS from any Scheduled Bank to the Virtual Pool Account of the Purchaser strictly as per the challan generated by the bidder on e-procurement portal.

   No other mode for payment is acceptable for submission of EMD in INR.

   The EMD payment through NEFT/RTGS mode should be made well ahead of time to ensure that the EMD amount is transferred to the Purchaser’s Bank account before bid submission, otherwise the bidder shall not be able to freeze bid in the portal. It is advised that the payment of EMD should be made at least 2 days prior to due date and time of submission of tender to avoid any complication in submitting online bid before the scheduled last date and time of submission. It is further advised that after successful payment, bidder should confirm receipt of EMD at Purchaser’s A/C through “Payment Verification” Link available on the portal. Freezing of bid can be done only after completion of EMD submission process.

   If the payment is made by the bidder within the last date and time of bid submission but is not received in Virtual Pool Account of the Purchaser within the specified period due to any reason, the bid will not be accepted by the System/ Purchaser. However, the EMD will be refunded to the bidder’s account automatically.

   The Bank account used by the bidder for submission of EMD should remain available till the complete processing of the tender for refund of the EMD.

2. **II. In US Dollar(USD):**

   The value of EMD to be submitted by the foreign bidder shall be USD 140,000/-
[USD Hundred Forty Thousand]. The amount of EMD has to be credited in Purchaser’s Bank Account within the last date and time for submission of online offer, failing which the online offer will not be considered.

Foreign bidders will have to remit the EMD of **USD 140,000.00** directly to the Purchaser’s Bank Account mentioned below:

- **Account Name:** Bharat Coking Coal Limited
- **A/C no:** 10976597794,
- **Bank:** State Bank of India,
- **Branch:** Dhanbad Branch,
  - Bank More,
  - Dhanbad-826001
  - (Jharkhand State), India
- **Branch Code:** 00066
- **Swift Code:** SBININBB388

While submitting the online bid, the foreign bidder must select “yes” option in EMD Exemption section provided in the portal and upload scanned copy of the UTR/documentary evidence for such remittance.

The remittance of EMD of **USD 140,000.00** to the above Bank Account shall be the net remittance excluding all commissions, costs and charges levied by the remitting foreign and Indian banks. In case of refund of EMD submitted in USD, all charges towards such refund shall be borne by the Purchaser.

Foreign bidder may also submit EMD in INR as explained above in the sub-clause for submission of EMD in INR.

**Notes:**

a) Bids submitted without full amount of EMD (except for the firms which are specifically exempted from submission of EMD) will be summarily rejected. The net payment credited to the Purchaser’s bank account, should not be less than the EMD amount and if it is found to be less than the stipulated amount, the bid will not be accepted.

b) Physical modes of payment, i.e., Banker cheques / Demand drafts etc. are not acceptable.

c) The Purchaser shall not be liable to pay any interest on the amount of Earnest Money Deposit.

**B. Exemption from submission of EMD:**

Start-Ups and State/Central Government Organisations/PSUs, valid NSIC registered firms (for the tendered items), valid Ancillary Units of the Purchaser (for the tendered items) and Micro and Small Enterprises [MSEs] (for the tendered items) are exempted from submission of EMD. Such bidders will have to upload the scanned copy of the documents as specified below in support of their claim for exemption of EMD during submission of bid [by selecting “yes” option and uploading scanned copy of the documentary evidence in EMD Exemption section provided in the portal]:

C. **Refund of EMD:**

EMD in Indian Rupees of unsuccessful bidders (except the bidders whose EMD is to be forfeited) will be auto refunded without any interest whatsoever, at the earliest but not later than 30 days after finalization of tender to the account from where it has been received. No claim from the bidders will be entertained for receipt of the refund in any account other than the one from where the money has been received.

In case the tender is cancelled, then EMD of all the participating bidders will be refunded unless it is forfeited by the Purchaser.

If the bidder withdraws its bid online before deadline for submission of tender, then the EMD will be refunded automatically after opening of the tender.

The EMD of the Successful Bidder will be refunded through e-payment on receipt of required Security Deposit from the bidder.

If the refund of EMD is not received by the bidder in the account from which the EMD has been paid due to any technical fault of the portal/ system, then it will be paid through e-payment.

For all such e-Payments, bidder will have to submit Mandate Form as per, Sample Forms, Section-VII.
If the successful/unsuccessful foreign bidder has submitted EMD in foreign currency, refund will be made in foreign currency through e-payment. In case of refund of EMD submitted in foreign currency, all charges towards such refund shall be borne by the purchaser.

D. **Forfeiture of EMD:**

The EMD shall be forfeited in the following cases:

a) If the bidder withdraws or amends, impairs or derogates from the tender in any respect during the period of bid validity offered by the bidder; or

b) In the case of a successful bidder, if the successful bidder fails
   i) To sign the contract in accordance with ITB clause-33 or
   ii) To submit the security deposit within 30 days from the date of Notification of Award in accordance with ITB Clause-34.1.

(xiii) Bidder should upload a self-certified certificate to the effect that the bidder has satisfactorily fulfilled its contractual obligations including warranty obligations for the total equipment supplied by it to the respective customers/end users during last 20 years from the date of tender opening.

(xiv) BCCL reserves the right to verify the authenticity of the documents related to Purchase/Supply orders, Commissioning Certificates, Performance Reports etc. and to obtain performance of equipment directly from the concerned buyers/ customers/ end users of the equipment of the bidder.

B. The following documents shall also be uploaded by the bidder in case of contract with foreign principals involving Indian agents:

i) Foreign principal’s pro-forma invoice or any other authentic document indicating the commission payable to the Indian agent, nature of after sales service to be rendered by the Indian Agent and the precise relationship between the Principal and the Agent and their mutual interest.

ii) Copy of the agency agreement, if any, with the foreign principal stating the precise relationship between them and their mutual interest in the business.

However, if all the details given in Para-(i) are complied with, the requirement of submission of document mentioned at Para-(ii) may be waived.
18. **Deadline for Submission of Bids**

   i) Online bids must be uploaded by the bidders at CIL’s e-Procurement portal by the last date and time as specified in Sec-I, IFB.

   ii) The Purchaser may, at its discretion, extend the deadline for the submission of bids in which case all rights and obligations of the Purchaser and Bidders previously subject to the deadline will thereafter be subject to the deadline as extended.

   iii) In case, 03 (three) bids are not received within originally stipulated time; the due date of tender shall be extended by 2 days automatically by the portal. In case even after one extension of due date by 2 (Two) days, less than 03 (three) bids are received, the due date shall again be extended by another 5 (Five) days by the portal automatically. If, even after granting two extensions (2days+5 days), less than 03(three) bids are received, tender shall be opened without further extension. No separate corrigendum shall be issued and published by the Tender Inviting Authority for extending the due dates. In case no offer is received, tender will be cancelled.

19. **Late Bids**

   No bid will be accepted after the deadline for online submission of bid.

20. **Modification and Withdrawal of Bids**

   a) Modification of the submitted bid shall be allowed online only before the deadline of submission of tender and the bidder may modify and resubmit the bid online as many times as he may wish before the deadline of submission of tender.

   b) No bid can be modified after the deadline for submission of bids.

   c) **Bidders may withdraw their bids online within the last date and time of bid submission. However, the bids once withdrawn cannot be resubmitted again.**

   d) No bid can be withdrawn in the interval between the deadline for submission of bids and the expiration of the period of bid validity offered by the Bidder. Withdrawal of a bid during this interval may result in the forfeiture of Bidder’s Earnest Money.

21. **Purchaser's Right to Accept or Reject any or all Bids**

   The Purchaser reserves the right to accept or reject any bid and to annul the bidding process and reject all bids at any time prior to contract award, without there by incurring any liability to the affected bidder or bidders or any obligation to inform the affected bidder or bidders of the grounds for the Purchaser's action. No dispute of any kind can be raised against this right of the Purchaser in any court of law or elsewhere.

22. **Bid Prices**

   a) The bidders are required to quote their lowest prices for Equipment, Consumable Spares and Consumables for 12 months of warranty period from the date of commissioning of the equipment and thereafter Spares & Consumables for a period of 36 months mentioned in Schedule of Requirement–Section-V.
b) The bidder has to quote for at least 50% of the total tendered quantity as given in Schedule of Requirement–Section-V; otherwise their offer will not be considered. If the 50% quantity comes out to be a fraction, the bidder should quote for the next whole number.

c) In case of INR offer, the basic price will be FOR Destination price for equipment and for spares & consumables and in case of foreign currency, it will be FOB, port of shipment /CFR/CIF, Indian port/CIP destination basis price for equipment, spares & consumables.

d) Single contract will be concluded with bidder for both Equipment and Consumable Spares and Consumables for 12 months of warranty period from the date of commissioning of the equipment and thereafter Spares & Consumables for a period of 36 months.

e) The equipment price shall be inclusive of the total cost towards requirement and services including training as mentioned in the Schedule of requirement/services, Section-V. However, the details in respect of training charges should be indicated separately, if any. This break-up shall be used for deduction purposes only, in case of any default in training as per the given schedule.

222 The Foreign Manufacturer shall quote for supply of Equipment and Consumable Spares and Consumables for 12 months of warranty period from the date of commissioning of the equipment and thereafter Spares & Consumables for a period of 36 months, in foreign currency. The Foreign Manufacturer may also quote for supply of spares & consumables in Indian Rupees (INR).

223 In case the bid is submitted by an authorised Indian Agent/ Indian Office/ Indian Subsidiary of foreign manufacturer, such bidder must quote for equipment in foreign currency on behalf of its principal/ parent/ holding company and may quote Consumable Spares and Consumables for 12 months of warranty period from the date of commissioning of the equipment and thereafter Spares & Consumables for a period of 36 months in INR or in combination of foreign currency and INR. Supply of equipment and Spares & Consumables in foreign currency will be made by foreign manufacturer and payment for the same in foreign currency will be made to the foreign manufacturer. Regarding Spares & Consumables quoted by the authorised Indian Agent/Indian Office/Indian Subsidiary in INR, supply of such Spares & Consumables will be made by the authorised Indian Agent/ Indian Office/ Indian Subsidiary and the payment of the same will be made to the authorized Indian Agent/Indian Office/Indian Subsidiary. However, in such case a tripartite contract will be concluded with the bidder, who is an authorised Indian agent/ Indian Office/ Indian Subsidiary of foreign manufacturer, along with the foreign manufacturer.

224 The indigenous manufacturer or its authorised Indian Agent/ Indian Subsidiary shall quote the prices for Equipment and Consumable Spares and Consumables for 12 months of warranty period from the date of commissioning of the equipment and thereafter Spares & Consumables for a period of 36 months in INR for delivery on FOR Destination basis. For the purpose of the contract, the term 'FOR Destination Price' shall mean the sum of Ex-works Price plus Freight up to destination and Transit Insurance charges up to destination. The offer should indicate unit prices, discount, if any, and the total price as per the BOQ.
Under FOR destination Contract, it is the responsibility of the supplier to deliver the goods at the FOR destination site at its own risks and costs. The supplier must contract at its own cost and risk for carriage of goods and insurance to the FOR destination site. BCCL has no obligation to the supplier on these accounts. However, BCCL will provide the supplier upon request, with necessary information for obtaining insurance.

Indigenous manufacturer shall quote for number of equipment under Normal Customs Duty (NCD) and Project concessional Duty (PCD) as detailed in Sec-V “Schedule of Requirement”. They should also indicate the following information, in their offer (in BOQ 2 folder) for equipment with Project Concessional Duty (PCD) only:

- Estimated CIF value of the imported content, if any, both in Indian Rupee and in the specified foreign currency on date of opening of the tender.
- Rate of Customs Duty, IGST and any other cess/duty as applicable on assessable value of imported component taken for computation of the prices.
- Rate of Exchange taken for computation of the prices.

In case of order for equipment under PCD on Indigenous manufacturers, delivery period will be counted from the date of project registration with customs authority. However, in case of direct import, delivery shall not be linked with issue of PCD certificate.

The prices for Equipment and Consumable Spares and Consumables for 12 months of warranty period from the date of commissioning of the equipment and thereafter Spares & Consumables for a period of 36 months, to be quoted in foreign currency by the Foreign manufacturers, shall be quoted on CIP (Final Place of Destination) basis for delivery at final destination with break-up as per the BOQ and relevant Annexures of Sample Forms, Section-VII and in the following manner:

A. The Foreign manufacturers shall quote the prices on CIP (Final Place of Destination) basis in any of the foreign currencies mentioned in ITB clause-23 “Bid Currencies”.

B. Under CIP (Final Place of Destination) basis contract, it is the responsibility of the supplier to deliver the goods at the named place of destination at its own risks and costs. The supplier must contract at its own cost and risk for carriage of goods and insurance to the named place of destination. BCCL has no obligation to the supplier on these accounts. However, BCCL will provide the supplier upon request, with necessary information for obtaining insurance.

C. In quoting the price on CIP basis, there shall be no restriction on the choice of the carrier or insurance agency.

D. The elements of marine freight, marine insurance, Port Charges, Clearing & Forwarding Charges and other incidental charges, inland transportation & insurance charges for delivery upto Final Place of Destination, erection and commissioning charges and all indigenously sourced items required for fitment in the equipment during its commissioning should also be provided by the bidder in its bid as per the BOQ and relevant Annexures of Sample Forms, Section—VII.

E. The Port Charges, Clearing & Forwarding Charges and other incidental charges, inland transportation & insurance charges for delivery upto Final Place of Destination, erection and commissioning and all indigenously sourced items required for fitment in the equipment during its commissioning should be quoted in INR Only. Transportation of goods is to be done through registered common
carriers only.

F. The purchaser will pay only Customs Duties applicable to imported goods. All activities to clear goods through Customs and transport to Final Place of Destination will be undertaken by the supplier at its cost. Payment in respect of Custom Duties properly levied on the CIF value of the imported goods shall be made in local currency in the following manner:

(i) The supplier shall submit Check List with appropriate Customs Code (H. S. Code) along with a copy each of the supplier’s invoice, freight bill and insurance bill well in advance to the BCCL;

(ii) After examination, the BCCL will promptly inform the supplier the correctness of leviable customs duties for preparation of Bill of Entry. Check List confirmation will be communicated by BCCL only after IGM generation;

(iii) Thereafter, the supplier will submit the final Bill of Entry to the BCCL for payment of Customs Duties to Customs Authorities;

(iv) BCCL will pay Customs Duty directly to Commissioner, Customs by Account Payee Cheque / Electronic Fund Transfer;

(v) After payment of customs duty by BCCL, the supplier will arrange clearance of goods at Port. After final clearance of goods at Port, the supplier will submit duplicate Bill of Entry to HOD, MM. of BCCL.

G. The Foreign manufacturer must indicate the name & address of its agent in India. It should also indicate the commission payable to them and the specific services rendered by them. The Indian Agency commission will be payable only on FOB prices of goods and it should be quoted as a percentage of the FOB price. In case, the foreign manufacturer does not have any Indian Agent, it should be clearly mentioned in the bid. In terms of Integrity Pact, the bidder has also to disclose all payments to agents, brokers or any other intermediaries.

The amount of agency commission payable to Indian Agent should not exceed 5% or what is specified in agency agreement, whichever is lower.

227 Prices quoted by all the bidders for equipment and Consumable Spares and Consumables for 12 months of warranty period from the date of commissioning of the equipment and thereafter Spares & Consumables for a period of 36 months, shall remain firm till supply of these items.

228 Bids submitted with conditional price quotations shall be rejected.

229 Discounts offered, if any, should be clearly indicated as Trade Discount, Quantity Discount etc. Conditional Discounts shall not be taken into account for the purpose of determination of ranking.

23. **Bid Currencies**

The prices shall be quoted in the following currencies:

i) **For Indigenous Manufacturer**: For Goods and Services that the Bidder will supply from within the Purchaser’s country, the prices shall be quoted in the currency of the Purchaser’s country.
ii) **For Foreign Manufacturer:** For Goods and Services that the Bidder will supply from outside the Purchaser’s country, the prices shall be quoted in only one of the following freely convertible currencies US Dollar, EURO, GB Pound, Japanese Yen and Australian Dollar.

Foreign manufacturers can quote for Consumable Spares and Consumables for 12 months of warranty period from the date of commissioning of the equipment and thereafter Spares & Consumables for a period of 36 months, in INR also.

iii) The Port Charges, Clearing & Forwarding Charges and all other incidental charges, inland transportation & insurance for delivery upto Final Place of Destination and erection and commissioning charges should be quoted in INR only.

24. **Opening of Bids by Purchaser**
   
i. The Techno-Commercial Bids (Cover-I) will be decrypted on-line and will be opened on the pre-scheduled date and time of tenderopening.
   
   ii. Price-Bid (Cover-II) will be opened after evaluation of Cover-I. The Cover-II of only the techno-commercially acceptable bidders (qualified bidders against Cover-I) shall be decrypted and opened on the scheduled date & time for which separate intimation will be given to the techno-commercially acceptable bidders through the e-procurement portal.
   
   iii. Upon opening of the Price Bid, system will allow for Auto Financial opening whereby no comparative statement will be generated but Reverse Auction Platform named “Auction BOQ” will be created. Reverse Auction process will follow as mentioned in clause 28, ITB.

25. **Techno-Commercial Evaluation of Tender**
   
a) Based on the response to TPS templates, the portal will initially evaluate eligible bidders. Subsequently, the bidder’s response in TPS will be scrutinised/verified and evaluated by the concerned departments with the documents uploaded by the bidders to determine whether they are in conformity with the tenderdocument.
   
b) Any bid which has not been submitted with the requisite amount of EMD/Exemption document will not be considered for futherevaluation.
   
c) During evaluation, shortfall/confirmatory documents, if required, will be sought from the bidders. For this purpose, one chance of 7x24 hours duration shall be given through Shortfall Document. If further clarifications/shortfall documents are required, another chance may be given to the Bidders through confirmatory link, keeping a time frame of 5x24 hours.
   
d) Purchaser will determine the Techno-commercial acceptability of the bidders on the basis of the original offer and subsequent clarifications/confirmation, if any. For the purpose of this determination, a techno-commercially acceptable bid is one, which conforms to all the terms and conditions of the Bid Document and the requirements of all commercial terms and mandatory technical specifications without deviations, exceptions, objections, and conditionality or reservations.
e) After techno-commercial evaluation of bids, price bids of the techno-commercially acceptable bidders will be opened in the manner described in Clause-24 above. The Techno-commercial bid that is not meeting the NIT requirement will be rejected by the Purchaser.

f) The following penalties shall be imposed on the defaulting bidders
   - If L-1 bidder is a defaulter for part of/all items for which he is L-1, 100% of EMD amount or Rs.20.00 lakh, whichever is lower, is to be forfeited and the bidder is to be disqualified in any tender for a period of 1 year for those specific item(s) for which he has defaulted.
   - In case the defaulter is an EMD exempted bidder, he will be asked to deposit the equivalent amount within 7 days of notice, failing which, his disqualification will be extended for another 1 year.

Note:
* The zone of applicability of penal provisions shall be TIA specific.

** The penal provisions will be squarely applicable to all those firms whose documents are examined on account of treating them as L-1 successively. For OEMs, the debarring actions may not be made for their spares in order to maintain smooth supply of such spares.

*** The submission of forged document, if any, by the bidder(s), shall be dealt with as per the provisions under clause-6.13 of Purchase Manual Coal India Limited 2020.

26 Shortfall / Confirmatory Documents

The Purchaser may ask for shortfall/confirmatory documents during the evaluation of the bids. Request for documents and the response shall be online and no change in the prices of the bid shall be sought, offered or permitted. No modification of the bid or any form of communication with the Purchaser or submission of any additional documents, not specifically asked for by the Purchaser, will be allowed and even if submitted, they will not be considered by the purchaser.

These documents are to be uploaded within the specified time period. The above documents will be specified on-line under the link ‘Upload Shortfall / Confirmatory Documents’, after scrutiny of bids, indicating the start date and end date giving 7x24 hours duration for online submission by bidder. The bidders will get this information on their personalised dashboard under “Upload Shortfall/Confirmatory Document/Information” link. Additionally, information shall also be sent by system generated email and SMS, but it will be the bidder’s responsibility to check the updated status/information on their personalised dashboard at least once daily after opening of bid. If further clarifications/shortfall documents are required, another chance will be given through confirmatory link, keeping a time frame of 5x24 hours, for on-line submission of documents.

The Purchaser reserves the right to verify any of the documents uploaded by the bidder at any stage. All communication will be on e-mail and SMS basis and no separate communication will be made in this regard. Non-receipt of e-mail and SMS will not be accepted as a reason of non-submission of documents within prescribed
Conversion to Single Currency

a) To facilitate evaluation and comparison of the bids, all bid prices expressed in various foreign currencies will be converted in Indian Rupee.

b) The applicable Exchange rate prevailing on the price-bid opening date shall be fed to the system by the Purchaser after opening of Price Bid from the data of RBI/SBI Website or data obtained directly from Banks.

Reverse Auction

Reverse auction process shall be as under:

(a) Upon opening of the Price Bid, system will allow for Auto Financial opening whereby no comparative statement will be generated but Reverse Auction platform named “Auction BOQ” will be created.

(b) Reverse Auction will be initiated within 2 hours after opening of price bids and a multi auction template (in excel format) will be uploaded.

(c) The multi auction template will display only the item-wise L-1 price received, decrement value, starting and end time and exchange rate(s) used for conversion of foreign currency into Indian Rupees, prevailing on the price-bid opening date. The name of bidders participating in the Reverse Auction shall not be made visible to other bidders.

(d) The L-1 total bid price as defined in clause-29 (E) (c), ITB of the NIT of each item will be “Start Bid Price” for respective item of the NIT.

(e) There will be no participation fees for e-Reverse auction.

(f) The decrement value will be 0.5% of the start bid price with minimum of Rs.1.00, as the system does not have a provision of taking amounts less than Rs.1.00 as decrement value. The reduction shall have to be made as per decrement value or in multiple thereof. In order to have ease of submission of reverse auction bid by the bidders, the decrement value will be rounded off to nearest value as under:

i) For decrement values up to Rs.10/-, rounding off will be made to nearest rupee.

ii) For decrement values from Rs.11/- to Rs.100/-, rounding off will be made to nearest 10.

iii) For decrement value from Rs.101/- to Rs.1,000/-, rounding off will be made to nearest 100.

iv) For decrement value from Rs.1,001/- to Rs.10,000/-, rounding off will be made to nearest 1,000;

v) For decrement value from Rs.10,001/- to Rs.1,00,000/-, rounding off will be made to nearest 10,000;

vi) For decrement value from Rs.1, 00, 001/- to Rs.10,00,000/-, rounding off will be made to nearest 1,00,000 and soon…

(g) The maximum seal percentage in one go shall be fixed as 2% over and above the normal decrement of 0.5%, i.e., 2.5% of Start Bid price or the last quoted price during reverse auction, whichever is lower.

This shall be worked out as under:

\[ DV_1 = (DV + \frac{2}{100} \times L1) \]
where \( DV \) = Decrement Value (fixed) as indicated in NIT

\( DV_i \) = Maximum range of decrement (Bidders can offer reduction in multiples of \( DV \) within this range)

\( L_1 \) = Start Bid Price or Current Lowest Price as displayed during reverse auction

If the start bid price is Rs.21000 and decrement value is Rs.100, the maximum seal percentage will be 2% of 21000 i.e. Rs.420 and upper range of reduction shall be Rs.520 (100+420). However, as reduction has to be in multiples of decrement value, maximum reduction that can be offered by the bidder will be Rs.500 only and hence, first reduced bid in reverse auction cannot be below Rs.20500.

In the above scenario, the seal percentage for 2\textsuperscript{nd} bid will be 2% of 20500 i.e. Rs.410 and the upper range of reduction shall be Rs.510 (100+410). Thus maximum reduction that can be offered will again be Rs.500 only in multiples of Rs.100 (decrement value).

(h) Initial period of reverse auction will be two hours. There will be auto extensions of time every time by 30 (thirty) minutes in case of any reduction recorded in the last 30 (thirty) minutes. The reverse auction will come to a close only when there is no further reduction recorded in the last 30 (thirty) minutes slot.

(i) Item-wise H-1 bid will be eliminated during price bid opening, if more than Four techno-commercially acceptable bids are available and those bidders will not be able to participate in the Reverse auction for that item, for which they have quoted H-1 landed cost. If two bidders have quoted the same H-1 landed cost, the bidder who submitted/froze the bid later, shall be rejected and will not be able to participate in Reverse Auction. However, there will be no H-1 bid elimination if H-1 bid is from privileged / preferential category bidder.

Note:
If a bidder has quoted under privileged category and the Tender Inviting Authority (TIA) has rejected the status of the bidder’s privileged category due to non-compliance to tender requirement, then the bidder will not be treated as privileged category bidder and during price bid opening its bid will be treated as non-privileged / preferential category bidder and will be evaluated accordingly.

(j) System protects bid and bidder information till auction gets over and displays current L-1 price to the bidder in auction hall.

(k) The log details of the entire reverse auction process will be generated by the system once the process of reverse auction is completed.

(l) Break-up of price: The break-up will be sought through confirmatory link and the successful bidder shall upload break-up of price online through confirmatory link, after reverse auction in the same structure as per their original price bid and they will not be allowed to increase the initial quoted rate of any component. The composite price may be either equal to the price offered in reverse auction or less otherwise it may be treated as withdrawal of offer and will attract penal action. The break-up of prices should be uploaded in specified time frame. In case the L-1 bidder fails to submit the break-up of landed price within stipulated period, the Purchaser will be at liberty to place order on the basis of the break-up of the e-price bid submitted by the bidder along with the initial offer, proportionately reduced and the same will be binding on the bidder.

(m) If a bidder does not submit his bid in the Reverse Auction, the price quoted by him in the price bid shall be considered as the valid price of that bidder. The status of the bidder (L-1, L-2 etc.) shall be evaluated considering either the bid price submitted in Reverse auction or the Price quoted in the price-bid, whichever
is lower.

(n) Since, reverse auction is a sequel to e-tender; the process of finalizing the tender upon completion of reverse auction will be the same as the tender process without reverse auction.

(o) The Auction bid history shall reflect only the total bid price.

(p) Only the chronologically last bid submitted by the bidder till the end of the auction shall be considered as the valid price bid of that bidder. Any bid submitted earlier by the bidder prior to submission of his last bid will not be considered as the valid price bid.

(q) Purchase Preference: In case NIT provides for purchase preference as per Govt. of India policy, as may be notified from time to time to any category of bidders, and if any of the shortlisted bidders are eligible for such purchase preference in terms of policy, such bidders would get opportunity to match the L-1 prices concluded after reverse auction, if their final prices in Reverse Auction fall within the permitted percentage.

(r) Conversion Rate: While evaluating the bids, for conversion of foreign currency into Indian Rupees, the exchange rate prevailing on the price bid opening date shall be fed to the system by the Purchaser after opening of Price Bid from the data of RBI/SBI Website or data obtained directly from Banks.

(s) Server time shall be the basis of Start time & Closing time for bidding and shall be binding for all. This would be visible to all concerned.

(t) On expiry of the closing of the auction, the bid history showing all the last valid bids offered along with name of the bidders shall be published in the portal. All bidders shall have the facility to see and get a print of the same for their record.

(u) All electronic bids submitted during the reverse auction process shall be legally binding on the bidder. The chronologically last bid submitted by the bidder till the end of the auction will be considered as the valid price bid offered by that bidder and acceptance of the same by the Purchaser will form a binding contract between the Purchaser and the bidder for entering into a contract.

(v) Conditional discounts shall not be considered. If a bidder offers a discount unilaterally after submission of bid, the discount shall not be considered for evaluation of offers but shall be availed if order is placed on such tenderer.

(w) If the lowest price received during reverse auction is found unreasonable or it is unacceptable by Tender Inviting Authority (TIA), the management reserves right to seek justification of the price from lowest bidder. If the price is not considered reasonable, management may not accept such bid and go for another tender process.

(x) In case of disruption of service at the service provider's end while the RAP is online, due to any technical snag or otherwise attributable to the system failure at the server end, the RA process will start all over again. In such a situation, the last recorded lowest price of prematurely ended RAP, will be the 'Start Bid' price for the restarted RAP.

(y) Restarting of RAP shall be intimated to all the bidders through system/SMS/e-mail through e-procurement portal. All the time stipulations of normal RAP will be applicable to the restarted RAP.

29. Evaluation and Comparison of the Bids

Evaluation of bids will be made in the following manner:

A) Evaluation of Indigenous Offer for Equipment in Indian Rupees
a) The bidder will fill their prices in Indian Rupees and on FOR Destination basis with the break-up for Ex-Works Price of the equipment, Freight and Transit Insurance Charges upto destination, applicable rate of GST on FOR destination price, Erection and commissioning charges and applicable rate of GST on Erection and commissioning charges for an equipment in BOQ-“Bid_INR sheet”.

b) The rate of GST entered by the bidder in BOQ-“Bid_INR sheet” shall be legally applicable rate of GST at the time of submission of bid.

c) Landed Price of each equipment shall be arrived at after adding all elements of prices quoted in BOQ-“Bid_INR sheet”.

d) Net Landed Price of each equipment will be arrived at after deducting Input Tax Credit for GST from Landed Price of each equipment.

B) Evaluation of INR Offer for Consumable Spares and Consumables for 12 months of warranty period from the date of commissioning of the equipment and thereafter Spares & Consumables for a period of 36 months

a) The bidder shall quote the composite FOR destination prices of all spares and consumables (unit prices multiplied with the quantity of items) in Indian Rupees as under:

   (i) For Spares and Consumables for 12 months of warranty period, the bidder shall quote FOR destination price of all spares and consumables (unit prices multiplied with the quantity of items) for equipment.

   (ii) For Spares & Consumables for a period of 36 months, the bidder shall quote FOR destination price of all spares and consumables (unit prices multiplied with the quantity of items) required for 2\textsuperscript{nd} to 4\textsuperscript{th} year of operation from the date of commissioning of the equipment.

   (iii) Total Landed price of all spares and consumables will be arrived at by adding total GST amount on FOR Destination price of all spares and consumables (unit prices multiplied with the quantity of items) separately for 1\textsuperscript{st} year, and for 2\textsuperscript{nd} to 4\textsuperscript{th} year, from year of operation. The total amount of GST shall be mentioned in BOQ template and legally applicable rates of GST for each item of spares & consumables shall be clearly mentioned in Bid_Warranty & Bid_Beyond Warranty Sheets.

   (iv) Total Net Landed Price of all spares and consumables for the equipment will be determined after deducting Input Tax Credit on total GST amount as follows:-

   \[
   \text{Total Net Landed Price} = [\text{Net Landed Price for all Consumable Spares and Consumables for 12 months of warranty period from the date of commissioning of the equipment arrived at after deducting Input Tax Credit on GST}] \quad \text{plus (\text{+})} \quad [\text{Net Landed Price for all Spares & Consumables for 2\textsuperscript{nd} to 4\textsuperscript{th} year of operation from the date of commissioning of the equipment] arrived at after deducting Input Tax Credit on GST. Further, Net Present value of Net Landed Price for all spares & consumables will be worked out for evaluation purpose as per NPV rates for 2nd to 4th year of operation from the date of commissioning of the equipment indicated in the BOQ separately.}
   \]

C) Evaluation of Import offer for Equipment in Foreign Currency

In case of import offer, the bidder will be required to fill in prices on CIP (Final
Place of Destination) basis as per the break-up given in the format in BOQ- “Bid_Others” sheet

The Net Landed Price for each equipment will be arrived at in Indian Rupees in the following manner:

1. The FOB Price of the equipment, Marine freight and Marine insurance charges will be added together to work out at CIF Price of the equipment.

2. Basic Customs Duty (BCD) on assessable value (which will be CIF value), Social Welfare Surcharge (at the applicable rate on BCD) and IGST (on assessable value plus BCD plus Social Welfare Surcharge), will then be added on the CIF price. The GST on Marine freight and GST on Indian Agency Commission shall be auto-calculated and will be added to total price with customs duty to arrive at total foreign currency component. 100% Input Tax Credit shall be considered on GST and IGST. Therefore, the total component of GST and IGST shall be deducted from the total foreign currency component to arrive at “Net foreign currency” component which will be carried over to the front sheet after multiplying by quantity of equipment under head “Total amount Other Currency” in BoQ1 sheet.

3. The Port charges, clearing & forwarding charges and other incidental charges, Inland Transportation & Insurance charges for delivery up to Final Place of Destination, Erection and Commissioning charges and all indigenously sourced items required for fitment in the equipment during its commissioning shall be quoted by the bidder in INR along with applicable GST rate in the appropriate columns. All these components shall be added together to arrive at total INR component. 100% Input tax credit shall be considered on GST. Hence, the GST component shall be deducted from the total INR component to arrive at “Net INR component” which will be carried over to the front sheet after multiplying by quantity of equipment under head “Total Amount INR” in BoQ1 sheet.

4. The Net Foreign currency component so arrived at shall be converted to INR at the exchange rate prevailing on the date of opening of Price Bid which will then be added to the INR component to arrive at Net Landed Price of the equipment.

D) Evaluation of offer for Supply of Consumable Spares and Consumables for 12 months of warranty period from the date of commissioning of the equipment and there after Spares & Consumables for a period of 36 months, in Foreign Currency

a) In case of import offer for all Consumable Spares and Consumables for 12 months of warranty period, the bidder shall quote Total FOB Price, Total Marine freight and Total Marine insurance charges for all Consumable Spares and Consumables (unit prices multiplied by the quantity of items) required for the equipment. For Spares and Consumables for a period of 36 months, the bidder shall quote combined total FOB Price, total Marine freight and total Marine insurance charges of all Composite price of Spares and Consumables (unit prices multiplied by the quantity of items) required for 2nd to 4th year operation from the date of commissioning of the equipment.

These will be added to arrive at the CIF Price which is also Assessable Value. (The break-up of prices of individual items of Spares and Consumables as
indicated above shall be uploaded in Bid_Warranty and Bid_Beyond Warranty sheets of BoQ.

b) The bidder shall quote total Port charges, Clearing & Forwarding charges and other incidental charges and Inland Transportation & Insurance charges for delivery up to Final Place of Destination charges in INR.

c) Basic Customs Duty (BCD) on assessable value (which will be CIF value), Social Welfare Surcharge (at the applicable rate on BCD) and IGST (on assessable value plus BCD plus Social Welfare Surcharge), will then be added on the CIF price. The GST on Marine freight and GST on Indian Agency Commission shall be auto-calculated based on the rate quoted by the bidder and will be added to total price with customs duty to arrive at total foreign currency component. 100% Input tax credit shall be considered on GST and IGST. Therefore, the total component of GST and IGST shall be deducted from the total foreign currency component to arrive at “Net foreign currency” component of all spares & consumables.

d) For Consumable Spares and Consumables for 12 months of warranty period, the net foreign currency component will be carried over to the front sheet under head “Total amount Other Currency” in BoQ1 sheet. Similarly for Spares & Consumables for 36 months after warranty period, the net foreign currency component will be carried over to the front sheet under head “Total amount Other Currency” in BoQ1 sheet after multiplying by the discounting factors to arrive at Net Present value of these spares & consumables for evaluation purpose.

e) The Port charges, clearing & forwarding charges and other incidental charges, Inland Transportation & Insurance charges for delivery up to Final Place of Destination in INR along with applicable GST shall be added together to arrive at total INR component. 100% Input tax credit shall be considered on GST. Hence the GST component shall be deducted from the total INR component to arrive at net INR component.

f) The net INR component for Consumable Spares and Consumables for 12 months of warranty period will be carried over to the front sheet under head “Total Amount INR” in BoQ1 sheet.

g) The net INR component for Spares & Consumables for 36 months after warranty period will be carried over to the front sheet under head “Total Amount INR” in BoQ1 sheet after multiplying by the discounting factors to arrive at Net Present value of these spares & consumables for evaluation purpose.

h) The Net Foreign currency component so arrived as above shall be converted to INR at the exchange rate prevailing on the date of opening of Price Bid which will then added to the INR component arrived as above to arrive at Net landed price for all Consumable Spares and Consumables for 12 months of warranty period and thereafter all Spares & Consumables for a period of 36 months.

Note: 1. The L-1 status shall be decided by deducting the Input Tax credit on GST. Therefore, the bidders are to ensure timely and correct filing of their returns. In case of any
lapse on the part of the bidder resulting in BCCL being denied of the Input Tax Credit by tax authorities, equivalent amount shall be recovered from the bills of suppliers.

2. Statutory Variation: If there is any statutory change in GST within contractual delivery period, the same shall be admissible and will be paid at actual based on documentary evidence. However, no upward revision in GST beyond original delivery period shall be admissible unless the delay is due to any lapse on the part of the purchaser.

3. It shall be responsibility of the bidder to indicate the correct rate of Customs Duty applicable to their goods. If it becomes necessary for BCCL to pay higher rate of Customs Tariff due to wrong quoting of customs rate by the bidder, the same shall be deducted from supplier’s bill. However, if the higher rate is due to any statutory change, the same shall be borne by BCCL.

E) Evaluation of Composite Offer of Equipment and Consumable Spares and Consumables for 12 months of warranty period from the date of commissioning of the Equipment and thereafter Spares & Consumables for a period of 36 months

a) Evaluation will be made based on the prices of Equipment and Consumable Spares and Consumables for 12 months of warranty period from the date of commissioning of the equipment and thereafter Spares & Consumables for a period of 36 months.

b) Evaluation will also take into account Net Present Value (NPV) of Spares & Consumables for a period of 36 months, to be supplied after warranty period of 12 months from the date of commissioning of the equipment. The NPV shall be calculated on average annual rate basis. The discounting factors based on average annual rate to work out NPV of Spares and Consumables will be indicated in the BOQ separately asunder:

- Average annual rate for NPV for 2nd year of operation from the date of commissioning of the equipment
- Average annual rate for NPV 3rd year of operation from the date of commissioning of the equipment
- Average annual rate for NPV for 4th year of operation from the date of commissioning of the equipment.

c) The Total Bid Price of each bidder for the equipment will be calculated in the following manner:-

\[
\text{Total Bid Price} = \text{Net Landed Price of the equipment} + \text{Net Landed Price of Consumable Spares & Consumables for warranty period of 12 months from the date of commissioning of the equipment} + \text{NPV of Net Landed Price for all Spares & Consumables for 2nd of operation from the date of commissioning of the equipment} + \text{NPV of Net Landed Price for all Spares & Consumables for 3rd year of operation from the date of commissioning of the equipment} + \text{NPV of Net Landed Price for all Spares & Consumables for 4th year of operation from the date of commissioning of the equipment.}
\]

The Total Net Landed Price will be arrived at after deducting applicable input tax credit as explained in previous pages.
Net Present value of Net Landed Price for all spares & consumables will be worked out for evaluation purpose as per NPV rates explained in previous pages.

d) The ranking of the techno-commercially acceptable bids shall be made on the basis of the Total Bid Price for the equipment as above and contract will be awarded accordingly for the offered quantity subject to acceptance of the price by the Purchaser.

30. Computational Errors

1. In case of any discrepancy in the total price of all spares & consumables quoted in Bid_INR Sheet/Bid Others Sheet in BOQ template and summation of individual items quoted in Bid_Warranty and Bid_Beyond warranty, the prices in Bid_Warranty and Bid_Beyond Warranty (if not participated in reverse auction) / revised Price Break-Up submitted after participation in reverse auction, shall be considered for evaluation, while award of contract and payment shall be made at lower of the two prices.

2. Computational errors will be rectified on the following basis. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and the quantity, the unit price shall prevail, and the total price shall be corrected. If there is a mistake in addition / subtraction of the total of unit prices, the unit price shall prevail and the total price shall be corrected.

31. Contacting the Purchaser

31.1 Subject to ITB Clause-26, no bidder shall contact the Purchaser on any matter relating to its bid, from the time of the bid opening to the time the Contract is awarded.

31.2 Any effort by a bidder to influence the Purchaser in its decisions on bid evaluation, bid comparison or contract award may result in the rejection of the bidder’s bid.

32. Notification of Award

32.1 The purchaser will notify the successful bidder that its bid has been accepted.

32.2 The Notification of Award shall be binding on the bidder until a formal contract is prepared and signed.

33. Signing of Contract

33.1 Within 30 (Thirty) days from the date after the Purchaser notifies the successful Bidder(s) that its bid has been accepted, the Purchaser will send the successful Bidder(s) the draft copy of the agreements to be signed between the Parties.

33.2 Within Thirty (30) days of receipt of the draft copy of the agreements, the successful Bidder(s) shall sign the agreement/Contract with the Purchaser.

34. Security Deposit

34.1 Within 30 days of the notification of award from the purchaser, the successful bidder shall furnish the Security Deposit in accordance with the conditions of the contract, in the Security Deposit format provided in the Bid Document [Sample Forms, Sec-VII].
34.2 Failure of the successful bidders to comply above requirement of Security Deposit and requirement of ITB clause-33 and 34.1 shall constitute sufficient ground for the annulment of the award and forfeiture of the Earnest Money Deposit.

35. Corrupt or Fraudulent Practices

35.1 The Purchaser requires that Bidders/Suppliers/Contractors observe the highest standard of ethics during the procurement and execution of such contracts. In pursuance of this policy, the purchaser:

(a) Defines, for the purposes of this provision, the terms set forth below as follows:
   (i) “Corrupt practice” means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution; and
   (ii) “Fraudulent practice” means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the purchaser, and includes collusive practice among Bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the BCCL of the benefits of free and open competition:

(b) Will reject a proposal for award if it determines that the Bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question;

(c) Will declare a firm ineligible, either indefinitely or for a stated period of time, to be awarded a contract if it at any time determines that the firm has engaged in corrupt or fraudulent practices in competing for, or in executing, a contract.

35.2 Furthermore, Bidders shall be aware of the provision stated in GCC Clause-24.1 of the General Conditions of Contract.

37. Purchase Preference under ‘Make in India’ Policy

Under ‘Make in India’ policy of Government of India, Purchase Preference will be given to eligible bidders as per Public Procurement (Preference to Make in India), Order 2017 issued vide order No. P-45021/2/2017-B.E.-II dated 15th June 2017 of Department of Industrial Policy and Promotion, Ministry of Commerce and Industry

37.1 In terms of the above said policy, purchase preference shall be given to local suppliers in the following manner:

   i Among all qualified bids, the lowest bid will be termed as L-1. If L-1 is from a local supplier, the contract for full quantity will be awarded to L-1 at L-1 price by the Purchaser.
ii  If L-1 is not from a local supplier, 50% of the order quantity shall be awarded to L-1. Thereafter, the lowest bidder among the local suppliers will be invited to match the L-1 price for the remaining 50% quantity subject to local supplier’s quoted price falling within the margin of purchase preference, and the contract for that quantity shall be awarded to such local supplier subject to his matching the L-1 price. In case such lowest eligible supplier fails to match the L-1 price or accept less than the offer quantity, the next higher local supplier within the margin of purchase preference shall be invited to match the L-1 price for remaining quantity and so on, and contract shall be awarded accordingly. In case some quantity is still left uncovered on local supplier, than such balance quantity may also be ordered on L-1 bidder.

37.2 The definitions of ‘Local Supplier’, ‘Local Content’ and ‘Margin of Purchase Preference’ are as follows:-

A. ‘Local Supplier’ means a supplier whose product offered for procurement meets the minimum local content of 50%.

B. ‘Local Content’ means the amount of value added in India which shall be the total value of the it procured (excluding net domestic indirect taxes) minus the value of imported content in the item (including all customs duties) as a proportion of the total value, in percent.

C. ‘Margin of Purchase Preference’ means the maximum extent to which the price quoted by a local supplier may be above the L1 for the purpose of purchase preference. The margin of purchase preference is 20%.

37.3 Verification of local content:

a. The local supplier shall submit along with its bid a certificate from the statutory auditor or cost auditor of the company (in case of companies) or from a practicing cost accountant or practicing chartered account (in respect of suppliers other than companies ) giving the percentage of local content.

b. BCCL may constitute committees with internal and external experts for independent verification of auditor’s/accountant’s certificates on random basis and in the case of complaints.

c. False declarations will attract banning of business of the bidder or its successor(s) for a minimum period of three years in line with clause 35.3 of ITB, along with such other actions as may be permissible underlaw.

d. A local supplier who has been debarred by any procuring entity for violation of above order shall not be eligible for preference under this Order for procurement by any other procuring entity for the duration of debarment. The debarment for such other procuring entities shall take effect prospectively from the date on which it comes to the notice of other procuremententities.

Note: The bidders who claim Purchase Preference under ‘Make in India’ Policy shall
fulfill all requirements of tender document applicable for Indigenous Manufacturer.

a) Performance or supervision of on-site assembly and/or start-up of the supplied Goods;

b) Furnishing of tools required for assembly and/or maintenance of the supplied Goods;

c) Furnishing of a detailed operations and maintenance manual for each appropriate unit of the supplied Goods;

(d) Performance or supervision or maintenance and/or repair of the supplied Goods, for a period of time agreed by the Parties, provided that this service shall not relieve the Supplier of any warranty obligations under this Contract.

e) Training of the Purchaser's personnel, at project site and manufacturer’s training facility available in India.

14. **Spare Parts**

The Supplier may be required to provide any or all of the following materials, notifications, and information pertaining to spare parts manufactured or distributed by the Supplier:

a) Such spare parts as the Purchaser may elect to purchase from the Supplier, provided that this election shall not relieve the Supplier of any warranty obligations under the Contract; and

b) In the event of termination of production of the spare parts;

i. advance notification to the Purchaser of the pending termination, in sufficient time to permit the Purchaser to procure needed requirements and
Section III- General Conditions of the Contract (GCC)

ii. following such termination, furnishing at no cost to the Purchaser, the manufacturing drawings, material specifications and all necessary permissions to facilitate manufacture of the Spare Parts elsewhere

c) Supplier shall carry sufficient inventories to assure ex-stock supply of consumable and fast moving spares. The provision of Spare Parts by the Supplier to the Purchaser shall be governed by Part C.6 of Section VI (Technical Specifications).

15. Warranty

15.1 The Supplier warrants that the Goods supplied under the Contract are new, unused, of the most recent or current models and that they incorporate all recent improvements in design and materials unless provided otherwise in the Contract. The Supplier further warrants that all Goods supplied under this Contract shall have no defect arising from design, materials or workmanship or from any act or omission of the Supplier that may develop under normal use of the supplied Goods in the conditions prevailing in the purchaser’s country.

15.2 The warranty for equipment shall remain valid for 12 months from the date of Commissioning of the equipment, unless specified otherwise in the SCC. The warranty for spares and consumables shall be 12 months from the date of their fitment unless specified otherwise in the SCC. However in case of those spares and consumables whose life is less than 12 months the warranty will be limited to their respective life. The Special guarantee for different components supplied as spares will be applicable as defined in Equipment specification of the NIT.

15.3 The Purchaser shall promptly notify the Supplier in writing of any claims arising under this warranty.

15.4 Upon receipt of such notice, the Supplier shall, within the period specified in SCC and with all reasonable speed, repair or replace the defective Goods or parts thereof, without costs to the Purchaser at the final destination.

15.5 If the Supplier, having been notified, fails to remedy the defect(s) within the period specified in SCC, within a reasonable period, the Purchaser may proceed to take such remedial action as may be necessary, at the Supplier’s risk and expense and without prejudice to any other rights which the Purchaser may have against the Supplier under the Contract.

16. Payment

16.1 The method and conditions of payment to be made to the Supplier under this Contract shall be specified in the SCC.

16.2 The Supplier's request(s) for payment shall be made to the Purchaser in writing, accompanied by an invoice describing, as appropriate, the Goods delivered and Services performed, and by documents, submitted pursuant to GCC Clause 10, and upon fulfillment of other obligations stipulated in the Contract.

16.3 Payments shall be made by the Purchaser within 21 days after submission of an invoice or claim along with the requisite documents, by the supplier.

16.4 The currency or currencies in which payment is made to the Supplier under this Contract shall be specified in the SCC subject to the following general principle: payment will be made in the currency or currencies in which the payment has been requested in the Supplier’s Bid and accepted by the Purchaser.
Section III- General Conditions of the Contract (GCC)

17. Prices

Prices charged by the Supplier for Goods delivered and Services performed under the Contract shall not vary from the prices quoted by the Supplier in its bid.

18. Changes in Order

The Purchaser may at any time, by a written order given to the Supplier, make changes within the general scope of the Contract in any one or more of the following:

a) drawings, designs or specifications, where Goods to be furnished under the Contract are to be specifically manufactured for the Purchaser;

b) the method of shipment or packing;

c) the place of delivery; and/or

d) the place of Services to be provided by the Supplier.

19. Contract Amendments

Subject to GCC Clause 18, no variation in or modification of the terms of the Contract shall be made except by written amendment signed by the Parties.

20. Assignment

The Supplier shall not assign, in whole or in part, its obligations to perform under this Contract, except with the Purchaser's prior written consent.

21. Subcontracts

The Supplier shall notify the Purchaser in writing of all subcontracts awarded by them to discharge the works under this Contract. Such notification, in the original bid or later, shall not relieve the Supplier of any liability or obligation under the Contract and the supplier will be solely responsible for all obligations under the contract.

22. Delays in the Supplier's Performance

22.1 Delivery of the Goods and performance of Services shall be made by the Supplier in accordance with the time schedule prescribed by the Purchaser in the Schedule of Requirements.

22.2 If at any time during performance of the Contract, the Supplier or its Subcontractor(s) should encounter conditions impeding timely delivery of the Goods and performance of Services, the Supplier shall promptly notify the Purchaser in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the Supplier's notice the Purchaser shall evaluate the situation and may at its discretion extend the Supplier's time for performance, with or without liquidated damages, in which case the extension shall be ratified by the Parties by amendment of the Contract.

22.3 Except as provided under GCC Clause 25, a delay by the Supplier in the performance of its delivery obligations shall render the Supplier liable to the imposition of liquidated damages pursuant to GCC Clause 23, unless an extension of time is agreed upon pursuant to GCC Clause 22.2 without the application of liquidated damages.
Section III- General Conditions of the Contract (GCC)

23. Liquidated Damages

23.1. In the event of failure to deliver/dispatch the equipment/store including erection and commissioning with in the stipulated date/period to effect supply in accordance with the terms and conditions and the specifications mentioned in the supply order and in the event of breach of any of the terms and conditions mentioned in the supply order, Coal India Ltd., shall have the right:

(a) To recover from the successful bidder as agreed liquidated damages, a sum not less than 0.5% (Half Percent) of the price of any equipment/stores along with accessories including erection and commissioning charges which the successful tenderer has not been able to supply, erect & commission as aforesaid for each week or part of a week during which the delivery of such stores may be in arrears limited to 10% (Ten Percent), or

(b) To purchase elsewhere after due notice to the successful tenderer on the account and at the risk of the defaulting supplier, the equipment/stores not supplied or others of similar description without cancelling the supply order in respect of the consignment not yet due for supply, or

(c) To cancel the supply order or a portion thereof, and if so desired to purchase the equipment/stores at the risk and cost of the defaulting supplier and also,

(d) To extend the period of delivery with or without penalty as may be considered fit and proper. The penalty, if imposed, shall not be more than the agreed liquidated damages referred to in clause – (a) above.

(e) To forfeit the security deposit fully or in part.

(f) Whenever under this contract any sum of money is recoverable from and payable by the supplier, Bharat Coking Coal Ltd., shall be entitled to recover such sum by appropriating in part or in whole by deducting any sum or which at any time thereafter may become due to the successful tenderer in this or any other contract, should this sum be not sufficient to recover the full amount recoverable, the successful tenderer shall pay Bharat Coking Coal Ltd, the balance amount on demand. The supplier shall not be entitled to any gain on any such purchase.

23.2. For the purpose of the calculation of the liquidated damages amount, the basic FOR Destination price shall be considered. For direct imports, the CIP price at Final Place of destination will be considered. Taxes and duties shall not be taken into account for calculation of LD. However, when prices indicated in the order are inclusive of taxes and duties, such prices will be taken for calculation of LD.

24. Termination for Default

24.1 The Purchaser, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the Supplier, may terminate the Contract in whole or in part:

(a) if the Supplier fails to deliver any or all of the Goods within the period(s) specified in the Contract, or within any extension thereof granted by the Purchaser pursuant to GCC Clause 22; or

(b) if the Supplier fails to perform any other obligation(s) under the Contract; or

(c) if the Supplier, in the judgment of the Purchaser, has engaged in corrupt or
Section III- General Conditions of the Contract (GCC)

fraudulent practices in competing for or in executing the Contract.

For the purpose of this Clause:

(i) “corrupt practice” means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution; and

(ii) “fraudulent practice” means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Purchaser, and includes collusive practice among Bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the Purchaser of the benefits of free and open competition.

24.2 In the event the Purchaser terminates the Contract in whole or in part, pursuant to GCC Clause 24.1, the Purchaser may procure, upon such terms and in such manner as it deems appropriate, Goods or Services similar to those undelivered, and the Supplier shall be liable to the Purchaser for any excess costs for such similar Goods or Services. However, the Supplier shall continue performance of the Contract to the extent not terminated.

25. Force Majeure

25.1 Notwithstanding the provisions of GCC Clauses 22, 23 and 24, the Supplier shall not be liable for forfeiture of its Security Deposit, liquidated damages or termination for default, if and to the extent that it’s delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.

25.2 For purpose of this Clause, “Force Majeure” means an event beyond the control of the Supplier and not involving the Supplier's fault or negligence. Such events may include, but are not restricted to, acts of the Purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.

25.3 If a Force Majeure situation arises, the Supplier shall promptly notify the Purchaser in writing of such condition and the cause thereof. Unless otherwise directed by the Purchaser in writing, the Supplier shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

26. Termination for Insolvency

The Purchaser may at any time terminate the Contract by giving written notice to the Supplier if the Supplier becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the Supplier, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the Purchaser.

27. Termination for Convenience

27.1 The Purchaser, by written notice sent to the Supplier, may terminate the Contract, in whole or in part, at any time for its convenience. The notice of termination shall specify that termination is for the Purchaser's convenience, the extent to which performance of the Supplier under the Contract is terminated, and the date upon which such termination becomes effective.

27.2 The Goods that are complete and ready for shipment within thirty (30) days after the Supplier's receipt of notice of termination shall be accepted by the Purchaser at the
Section III- General Conditions of the Contract (GCC)

Contract terms and prices. For the remaining Goods, the Purchaser may elect:

a) to have any portion completed and delivered at the Contract terms and prices; and/or

b) to cancel the remainder and pay to the Supplier an agreed amount for partially completed Goods and Services and for materials and parts previously procured by the Supplier.

28. Governing Language

The Contract shall be written in the English language. Subject to GCC Clause-29, the version of the Contract written in the specified language shall govern its interpretation. All correspondence and other documents pertaining to the Contract which are exchanged by the Parties shall be written in the same language.

29. Applicable Law

The Contract shall be interpreted in accordance with the laws of the Republic of India, unless otherwise specified in SCC. Any dispute arising out of this enquiry shall come under the sole jurisdiction of the Dhanbad/Jharkhand High Court, (INDIA).

30. Notices

30.1 Any notice given by one Party to the other pursuant to this Contract shall be sent to the other Party in writing. For the purpose of all notices, the following shall be the address of the Purchaser:

Original copy of the Bank Guarantee issued by the Issuing Bank shall be sent by the issuing bank to MM department, BCCL.

1.9 If the successful tenderer fails to deposit the security deposit within 30 (thirty) days from date of notification of award, or fails to extend the Bank Guarantee for Security Deposit, suitably as required, the same shall be recorded as unsatisfactory performance for future dealings apart from taking any other penal action as may be deemed fit by BCCL.

1.10 Failure of the successful bidders to comply with the above requirement of Security Deposit shall constitute sufficient ground for the annulment of the award and forfeiture of the Earnest Money Deposit.

1.11 Exemption to the following Firms in India from Security Deposit: Any Central/State Government Organizations/ PSUs shall be exempted from submission of Security Deposit.

2. Performance Bank Guarantee (PBG) (GCC Clause 7)

2.1 The successful tenderer shall be required to furnish a Performance Guarantee equivalent to 10% value of the total landed value of the contract including all taxes, duties and other costs and charges subsidiary wise. The total landed value of the contract subsidiary wise will be worked out in line with the stipulations indicated at clause -1.2 and 1.3 above. The PBG will be required to be submitted subsidiaries wise to Paying Authority of concerned subsidiaries.

2.2 The Performance Guarantee shall be in the form of a Bank Guarantee issued by a RBI scheduled bank in India in the format attached at Sample Forms, Section-VII on a non-judicial stamp paper.

2.3 The Performance Bank Guarantee (PBG) shall be in the same currency (ies) in which
Section IV- Special Conditions of the Contract (SCC)

contract has been signed. In case of multi-currency contract, separate PBG in respective currency for required value shall be submitted.

2.4 The Performance Bank Guarantee (s) may be submitted equipment wise to the concerned subsidiary where the equipment will be supplied. For this purpose, the value of each equipment will be worked out by dividing the total value of contract, worked out as per provisions contained in clauses 1.2 and 1.3 above, by the number of equipment ordered.

2.5 The PBG(s) shall remain valid till 3 months after the completion of 48 months period from the date of commissioning of respective equipment covered in the contract.

2.6 The PBG shall be submitted, sufficiently in advance (say 3-4 weeks) to enable its verification before submission of the invoice for 80% payment of the particular equipment(s).

2.7 The PBG issued by Issuing bank on behalf of the bidder in favour of “Bharat Coking Coal Limited” shall be in paper form (Stamp Paper) as well as issued under “Structured Financial Messaging System”. The details of beneficiary Bank for issue of BG through SFMS Platform is mentioned before for SDBG. Original copy of the PBG issued by the Issuing Bank shall be sent by the issuing bank to concerned subsidiary.

2.8 The release of the Performance Bank Guarantee(s) after above indicated period shall be subject to satisfactory performance of the equipment during 48 months period from the date of commissioning of the equipment and fulfillment of contractual obligations failing which, action for further extension or encashment of PBG, as deemed suitable shall be taken. Release of PBG for each equipment may be done separately on satisfactory performance of the respective equipment as above.

2.9 In case of successful tenderer which does not have the After Sales Service Support facilities in India, as mentioned in Clause 5.2, ITB, Sec-II, Performance Bank Guarantee for the 30% value of the total landed value of the contract including all taxes, duties and other costs and charges as defined in clauses 1.2 & 1.3 above shall have to be submitted to BCCL (HQ). This 30% PBG will be released after establishment of After Sales Service Support facilities in India for the ordered equipment within completion of warranty period of the first equipment commissioned or earlier subject to confirmation of the same by GM Area, BCCL Area where the equipment(s) have been deployed in consultation with GM/HOD (Excavation) BCCL. However, the supplier shall have to submit PBG for 10% of the total contract value to be kept valid for the remaining period of the contract plus 3 months processing period before release of 30 % PBG. The total contract period is 48 months from the date of commissioning of respective equipment covered in the contract. This 10% PBG will be released after satisfactory performance of all equipment and fulfillment of contractual obligations.

3. Inspection and Test (GCC Clause 8)

3.1 Pursuant to Clause 8.1 of the GCC, details of specific inspections and/or tests to be carried out at the Supplier’s works and/or at the Site(s) are given in Section VI, Technical Specifications.
Section IV- Special Conditions of the Contract (SCC)

3.2 Modify Clause 8.3 of the GCC to read as follows:

Should any inspected or tested Goods fail to conform to the Specifications, including acceptance tests and periodic tests to verify guaranteed performance, the Purchaser may reject the Goods, and the Supplier shall either replace the rejected Goods or make alterations necessary to meet Specification requirements free of cost to the Purchaser within thirty (30) days of such rejection. Replaced or altered goods shall be subjected to repeated inspection or tests to demonstrate conformity with the Specifications. In the event that replacement or alteration is not done within thirty day period as aforesaid, or, replaced or altered goods fail to demonstrate conformity with the Specifications in repeated inspections or tests as aforesaid, the Purchaser reserves the right to terminate the Contract in part or in whole and the Supplier shall repay forthwith to the Purchaser all monies paid in respect of Goods, and Services associated therewith, for which the termination is applicable and, subsequently remove the same from the Purchaser’s Site at the Supplier’s cost.

3.3 Add as Clause 8.6 to the GCC the following:

The Purchaser or its nominated representative shall have the right to conduct inspections or tests as set out in this Clause at any reasonable time. The Purchaser reserves the right, at the Purchaser’s cost, to depute its own inspector(s) and/or to engage any other third party inspecting agency, other than the one recommended by the Supplier, to conduct inspections and tests pursuant to the Contract.

4. Delivery and Documents (GCC Clause 10)

4.1 Pursuant to GCC Clause 10.3:

(a) For Imported Goods:

Within forty eight (48) hours of shipment, the Supplier shall notify the Purchaser, Port Consignee and Ultimate Consignee by email or fax, the full details of the shipment including Contract number, description of Goods, quantity, the vessel, the bill of lading number and date, port of loading, date of shipment, port of discharge, etc. The Supplier shall deliver a copy of each of the following documents to the Purchaser, with a copy to the Port Consignee and Ultimate Consignee:

In order to enable the purchaser to avail Input Tax Credit as per applicable Indian laws, the supplier shall furnish all the necessary documents to the consignee / paying authority as required, failing which the equivalent deduction will be made from the supplier’s bills. In case of successful bidder(s), if at the time of supply, it is found that Input Tax Credit as per Invoice (Credit available to BCCL) is less than the “Input Tax Credit Amount” declared in the Price Bid; the differential amount between the two shall be deducted from the Supplier’s bills while making payment to them. If the evaluation of the supplier has been made considering the concessional rate of customs duty applicable for import from certain countries under trade agreements / treaties with Govt. of India, all the required documentation for availing concessional customs duty and subsequent customs clearance etc. will be provided by the supplier failing which the equivalent deduction will be made from their bills. Also The Government has allowed exemption from payment of customs duty in respect of certain types of goods for use by the certain organizations. However, to avail of such exemptions, the organizations are required to produce "Customs Duty Exemption" certificate and "Not Manufactured in India" certificate at the appropriate time.

7.6. Paying Authority

The Paying Authority shall be HoD (Finance) MM of company Headquarter i.e. BCCL.
Section IV - Special Conditions of the Contract (SCC)

8 Prices (GCC Clause 17)

8.1 Prices stated in the contract shall remain firm and fixed throughout the period of the Contract.

8.2 Lowest Price Certificate

The Tenderer should submit a certificate along with the offer confirming the prices quoted in the Tender are the lowest and not higher than as applicable to other Govt. Depts./ Undertakings including other Subsidiaries of CIL/ Private Organisations for equipment of same specifications.

8.3 Price Fall Clause

The Bidder undertakes that it has not offered to supply/supplied/is not supplying same or similar product/systems or sub systems at a price lower than that offered in the present bid in respect of any Organization/Ministry/Department of the Govt. of India or Coal India Ltd. and/or its Subsidiaries or other PSU or any other private organization during the currency of the contract and if it is found at any stage that same or similar product/systems or sub systems was supplied by the bidder to any Organization/Ministry/Department of the Govt. of India or Coal India Ltd. and/or its Subsidiaries or other PSU or any other private organization at a lower price during the currency of the contract, then that very price will be applicable to the present case and the difference in the cost would be refunded by the bidder to buyer, if the contract has already been concluded.

(i) The currency of contract will mean the period till completion of supply.
(ii) The bidder will be asked to submit a copy of the last (latest) purchase order for the similar/ordered item(s) received by them from any Organization/Ministry/Department of the Govt. of India Coal India Ltd. and/or its Subsidiaries or other PSU or any other private organization, along with the offer.
(iii) It shall be responsibility of the supplier to inform the purchaser of offer to supply/supply of the similar/ordered item(s) at a lower rate to any Organization/Ministry/Department of the Govt. of India or Coal India Ltd. and/or its Subsidiaries or other PSU or any other private organization during the currency of the contract.
(iv) The supplier shall submit a certificate along with the bill(s) that it has not offered to supply/supplied the similar/ordered item(s) at a lower rate to any Organization/Ministry/Department of the Govt. of India Coal India Ltd. and/or its Subsidiaries or other PSU or any other private organization.

9. Banned or De-listed suppliers

The bidders as well as the manufacturer (if bidder is not the manufacturer) would give a declaration that they have not been banned or de-listed or debarred or 'Put on Holiday' by any Government or Quasi-Government agencies or PSUs in India. If a bidder has been banned by any Government or Quasi-Government agencies or PSU in India, this fact must be clearly stated and it may not necessarily be a cause for disqualifying him. If this declaration is not given, the bid may be liable for rejection. The declaration format is built in the Letter of Bid (LOB) which shall be filled in by the bidder suitably. In case India Agent or Indian Office or Indian Subsidiary of a Foreign Manufacturer/Indian Subsidiary of an Indian Manufacturer is quoting against the tender, the equipment manufacturer will also give a declaration towards ‘Banned or De-listed suppliers in the Manufacturer’s Authorisation Form, Annexure-4, Sec-VII, Sample Forms.
Section IV- Special Conditions of the Contract (SCC)

10. Distribution of Order

(i) BCCL reserves the right to distribute the total required/tendered quantity. If L1 bidder is not capable of quoting the full tendered quantity due to capacity constraints, BCCL may place order on the L2 (next higher) bidder for the balance tendered quantity subject to L2 bidder matching the price of L1 bidder on Landed Price (FOR Destination/CIP named place of destination inclusive of all taxes & duties) basis. In case L2 bidder does not match the L1 price, BCCL reserves the right to go to higher ranked bidders in sequence (i.e. L3, L4 ….) and place order for balance tendered quantity on the next higher bidder matching the price of L1 bidder. In case the higher bidder turns out to be an Overseas Bidder quoting the price on CIP Basis, the bidder shall be asked to match the L-1 price by proportionately working out the CIP price on the basis of their Landed Price in Indian Rupees calculated for evaluation, as on the date of price bidopening.

Above distribution will also be subject to Purchase Preference to certain categories of bidders falling under ‘Make In India’ policy and MSEs.

(ii) While counter offering, the L1 price comprising the sum total of Landed Price of Equipment + Net Landed Price of Consumable Spares & Consumables for warranty period of 12 months from the date of commissioning of the equipment + NPV of Net Landed Price of Spares & Consumables for the equipment for a period of 36 months, to be supplied after warranty period of 12 months from the date of commissioning of the equipment for as offered by the L1 bidder shall be considered. L2 or higher bidder as the case maybe, shall match this sum total comprising above three elements.

11. Deemed Exports

If the bidder has quoted the items under the deemed exports, then it will be the responsibility of the bidder to get all the benefits under deemed exports from the Government. CIL/Subsidiary Companies responsibility shall only be limited to the issuance of required certificates. The quotation will be unconditional and phrases like "subject to availability of deemed exports benefit" etc. will not be accepted.

12. Deviation

Deviations sought by the bidders, whether these are commercial or technical deviations, must only be given in the prescribed schedules. Any attempt by the bidders to camouflage the deviations by giving them in the covering letter or other documents than the prescribed schedules may render the bid non-responsive.

Part A Scope of Supply

A.1 Equipment Package
The Supplier is required to provide a complete package of equipment for the supply of 5-6 CuM Hydraulic Backhoe Shovel to open cast (surface) coal mining projects:
The supplier is required to bid for the Equipment; including accessories, consumables, training, installation, commissioning and testing at the coal mining project.
The Scope and Phasing of supply for the Shovels is given in Sec. V.

A.2 Supplementary Items

i. The Equipment shall be provided with a comprehensive tool kit, which shall include any special tools required for erection, commissioning and for the maintenance and repair of all the Equipment.

ii. First fill of all oils, grease and lubricants needed for test and commissioning of each equipment.

A.3 Information and Drawings

At least one month before the scheduled installation date, the Supplier shall provide not less than:
(a) Suitably illustrated copies of Operating, Repair and Maintenance Manuals for each type/model of equipment and accessories, written in the English language, substantially bound in book form;
One (1) copy along with soft copy to each project site; and
One (1) copy along with soft copy to the General Manager (Excv.), BCCL Hqrs. KoylaBhawan;

(b) Suitably illustrated copies of detailed Spares Parts Manuals for each type/model of equipment and accessories, written in the English language, substantially bound in book form;
One (1) copy along with soft copy to each project site; and
One (1) copy along with soft copy to the General Manager (Excv.), BCCL Hqrs. KoylaBhawan;

The Supplier shall also submit (in the same number of copies) the data identified in the specifications for each item of Equipment proposed. In addition to the Equipment drawings requested, where appropriate the Supplier shall supply detailed drawings illustrating erection/assembly site(s), foundation and accommodation requirements for such items as drive motors, switch installations etc.

A.4 Erection/Assembly, Commissioning and Performance Testing

The Supplier shall provide the Services of Specialist Technicians (refer Part-C3) and labour to undertake the installation/erection/assembly, commissioning and any performance testing of the plant, Equipment and accessories supplied. The erection and commissioning should be done within four weeks of accepted supply of Equipment.

The technicians shall remain at site following commissioning until all necessary personnel are fully conversant with the maintenance and operation of the equipment.

BCCL will assist by providing necessary facilities like crane; electricity as and when required satisfaction of the user.
A.5 Training

The supplier in consultation with the project in-charge / HOD [Excavation] of the respective site shall make available experienced personnel to conduct training of engineers, supervisors, technicians and operation personnel for suitable period from the date of issue of acceptance certificate of the equipment. The training shall cover the following:

Training on simulator modules by the bidder at their works/suitable location is mandatory.

b) Equipment system, safety and risk assessment

c) Equipment operation and maintenance

d) Trouble shooting, localization of fault and their remedies covering:
   1. Electrical and electronics
   2. Mechanical
   3. Hydraulic system
   4. Lubrication system
   5. Pneumatic system etc.

Comprehensive training manuals with clear illustration shall be provided to each participant in English language. The training courses shall be conducted in both English and Hindi language.
Part B

Specific Site Requirements

B.1 Project Specific Requirements

The equipment shall be suitable for use at the specific site projects under the conditions detailed below.

B.1.1 OPENCAST PROJECTS

All the Opencast Project is owned by the Bharat Coking Coal Limited, a wholly owned subsidiary of Coal India Limited (the “Purchaser”). The mine is located partly in the Dhanbad District of Jharkhand approximately 30 Km from Dhanbad railway station.
Section VI- Technical Specifications

Part C
General Requirements

C.1 Geography and Climatic Conditions

Elevation:
The natural surface varies from 100 to 1000 m above mean sea level.

Climate:
The climate is sub-tropical to tropical, dusty, with a hot and humid atmosphere.
Monsoon rains occur in the period from June to October.

Ambient Conditions:
Relative Humidity - Maximum 98%
Temperature - Minimum 0°C
          - Maximum 50°C

Rainfall:- The mean annual rainfall is 1,000mm, 90 to 95 % of which may fall in rainy season from June to October.

Wind:- April to September - South to South Westerly
       October to March - North Westerly

Speed:-- 8 km per hr average
         - 100 km per hr maximum

C.2 Goods (Equipment and Machinery)

Detailed specifications of the Equipment to be supplied are given in Part D of this section.

In general, all items shall be:

- New, unused, of the current design [incorporating latest proven features] and not likely to be discontinued or become obsolete in the near future.
- designed and constructed to handle without overload and for the working hours stated, the maximum volumes/rates specified;
- designed to facilitate ready access, cleaning, inspection, maintenance and repair of component parts;
- designed to facilitate rapid changeover of consumable items.
- The component parts of all items shall, wherever possible, be selected from the standard ranges of reputable manufacturers.
- The Equipment and accessories shall be physically robust and where necessary capable of dismantling for transportation and ready re-assembly using simple tools. All Equipment items provided shall be designed to be compatible within the proposed overall Scope of Supply.
- Electrical Equipment shall provide all protection devices, controls and interfaces for the Equipment to operate safely and efficiently.
- All workmanship and materials shall be of first class quality in every respect.
- All parts and surfaces, which are exposed to corrosive environment, shall be suitably protected to prevent any effects of corrosion or erosion.
Section VI- Technical Specifications

C.3 Services

The supplier shall be responsible for the erection and commissioning of the equipment at site. The supplier shall depute sufficient experienced and qualified competent Engineer(s) for each equipment and specialist technicians for entire assembly, erection and commissioning of equipment free of cost.

C.4 Standards

The design, supply, erection, testing and commissioning of all Equipment under this Contract shall in all respects comply with the requirement of this specification and with the appropriate current Indian standards and codes, or relevant Standards issued by the International Standards Organisation or any other equivalent international standards, which corresponds to specific ISO/Indian standards indicated in the technical specification. Such equivalent international standards are to be supported by documentary evidence certifying that offered standards are identical to the corresponding ISO/Indian standards.

The equipment shall comply with requirements of the statutory government authorities, including Director General of Mines Safety (DGMS) having jurisdiction over the equipment and its use.

The system of units for all measurements shall be the System of International Unites (S.I.)

C.5 Suppliers Responsibility

The Purchaser requires that the Supplier shall accept responsibility for the provision of complete operable and compatible Equipment and systems within the Scope of Supply. This document identifies only the major items required for the installation and the Supplier shall ensure that the total supply includes all necessary Equipment for it to function effectively, safely and efficiently. Any additional items the Supplier considers necessary to ensure compliance with such a requirement shall be identified and included.

If the Supplier observes that this Specification document contains any anomalies, ambiguities, flaws, errors or omissions, the Supplier shall immediately bring these to the attention of the Purchaser but not later than 15 days prior to the due date of opening.

The Supplier shall be responsible for the testing and commissioning of the Equipment and ensure that it meets the requirements as specified. The commissioning and setting to work of the whole Equipment Supply package shall be carried out under the supervision of the Supplier in conjunction with the Purchaser’s nominated personnel.

C.6 Spare Parts Provisions

C.6.1.a. Availability of Spare Parts

All items and Equipment proposed shall be of current design and manufacture. The Supplier shall warrant that sufficient spares and servicing facilities will be available to maintain the Equipment in use throughout its life.

C.6.1.b Bought-out assemblies and sub-assemblies
Section VI- Technical Specifications
The supplier is required to furnish the details of all Major bought-out items as indicated in the technical specification against "Information to be provided by the bidder". The bidder has to furnish a certificate indicating therein that "All other components not identified/mentioned herein are manufactured by the bidder at their works exclusively i.e. the components are propriety of bidder's firm."

C.6.2 Provision of Spare Parts

C.6.2.1 Within the Contract Price, the Purchaser shall agree to purchase all Operational, maintenance and standby/contingency spare parts, consumable items, wear materials, maintenance tools and special tools (hereinafter collectively referred to as “Spare Parts”, unless the context requires otherwise) in accordance with the Supplier’s recommendations for forty eight (48) months from the date of issue of the Acceptance Certificate. Similarly within the Contract Price, the Purchaser shall also agree to purchase consumable items (hereinafter referred to as “Consumables”) in accordance with the Supplier’s recommendations for forty eight (48) months from the date of issue of the Acceptance Certificate. In addition the Supplier shall provide Spare Parts and Consumables for Commissioning.

Consumables shall not include oils, lubricants and fluids for the purposes of this Guarantee but the supplier shall provide all necessary oils, lubricants fluids for the purposes of commissioning of Equipment and undertaking Tests on Completion in accordance with the Contract.

Each machine (Machines to be supplied in each project) shall be delivered with spares parts and consumables adequate, initially, for twelve (12) months operation from the date of commissioning. Thereafter the 2nd year, 3rd year and 4th year, Spare Parts and consumables shall be delivered periodically (i.e. 2nd year spares in 2nd year, 3rd year spares in 3rd year, 4th year spares in 4th year), and not less than twice annually, throughout the next thirty six (36) month period (after warranty period) in order to comply with the provisions herein contained. The supplier shall submit 4 (four) separate schedules showing spare parts proposed to be supplied by them in each 12 (twelve) months period from the date of purchaser’s acceptance certificate.

C.6.2.2 In the event that the spare parts and consumables, as recommended by the Supplier, in anyway fall short of actual requirements during the period for which they are said to be adequate, the supplier shall provide such additional spare parts and consumables as are necessary at the final destination. Such additional spare parts and consumables shall be provided by the Supplier to the Purchaser free of all cost and shall be transported to Site by airfreight internationally and by air, rail or fast road transport within India.

C.6.2.3 In the event that the spare parts, Insurance items and consumables, as recommended by the Supplier, are in excess of actual requirements. The Purchaser may at its option.

a) Retain such excess spare parts and consumables as, in its discretion it may elect to doso

b) Require the Supplier to repossess or repatriate or otherwise dispose of such excess spare parts and consumables in exchange for payment to the Purchaser of the Contract Price of the spare parts and Consumables concerned.

The Purchaser shall notify the Supplier, in writing of its requirements under this Clause within 30 (thirty) days of completion of the period referred to in Clause
Section VI- Technical Specifications

C.6.2.1

C.6.2.4. In the event that operation of the Plant is inhibited or frustrated as a direct result of lack of spare parts and consumables, pursuant to Clause C.6.2.2 hereof, then the period referred to in Clause C.6.2.1 hereof shall be extended by a period of not less than the period during which operation as aforesaid was inhibited or frustrated.

C.6.2.5. The supplier shall not be liable for the supply of additional spare parts and consumables, nor to extend the period referred to in Clause C.6.2.1 hereof, if and to the extent that, additional Spare Parts and Consumables are required by reason of unforeseen accidents, negligence or misuse on the part of the Purchaser.

C.6.2.6. The assessment of the Supplier of the spare parts requirements shall be based upon the expected working hours per year as defined in the individual Equipment Specifications included in the Technical Specifications.

C.63. Emergency Spare Parts

C.6.3.1. Emergency spare parts required by the Purchaser to repair breakdowns shall be dispatched to the site by the Supplier by the fastest, practicable means as directed from time to time by the Purchaser.

C.6.3.2. For the purpose of Clause C.6.2.6, “Emergency Spare Parts” shall mean those spare parts or components required by the Purchaser to repair any item of Plant supplied pursuant to the Contract in the event of a breakdown not attributable to a failure covered by guarantee or a failure of the Supplier to provide adequate Spare Parts or Consumables.

C.6.3.3. Payment in respect of the supply and delivery of such Emergency Spare Parts shall be made promptly, retrospectively, by the Purchaser, in a manner consistent with the terms of payment described in the contract.

C.6.3.4. Lifetime Spare Parts

The Supplier undertakes and guarantees to produce and maintain stocks, to be available for purchase by the Purchaser under separate agreement, of all Spare Parts and Consumables as may be required for maintenance and repair of the Plant throughout its working life. In the event that the Supplier wishes to terminate production of such Spare Parts, the Supplier shall:

(a) give not less than six months’ notice in writing of its intention to terminate production in order to permit the Purchaser reasonable time in which to procure needed requirements; and
(b) immediately following termination, provide to the Purchaser at no cost, manufacturing drawings, material specifications and all necessary permissions to facilitate manufacture of the Spare Parts elsewhere.
(c) Any change in part number or superseded part number should be informed to the HOD of Excavation department / MM department of subsidiary hqrs. and the project site wherever the equipment is operating.

In any event, the Supplier shall not seek to terminate manufacture of spare parts for
Section VI- Technical Specifications

a period of not less than Ten (10) years from the date of completion of warranty period.

C.6.4 Oils, Lubricants, Fluids and Welding Electrodes

Not less than three (3) months before the scheduled date for Acceptance, the Supplier shall provide to the Purchaser a detailed schedule of all necessary oils, lubricants, fluids for the operation and maintenance of Equipment. The schedule shall indicate estimated annual consumption and specify the appropriate international standard number or the name and reference number of an equivalent available in India considered to be acceptable by the Supplier.

C.6.5 General

C.6.5.1 Nothing in this Clause C.6 shall relieve the Supplier of any Guarantee, Availability, Performance or other obligations or liabilities under this Contract.

C 7 Availability Provisions

C.7.1 Introduction

C.7.1.1 The Supplier shall guarantee that the Equipment supplied pursuant to this Contract shall be available for use by the Purchaser and shall meet the performance criteria specifications at the level and in accordance with the terms and conditions of the Availability Guarantee herein contained.

C.7.1.2 Where Equipment supplied under the Contract fails to meet the criteria of the Availability Guarantee, the Supplier shall, at its own cost, provide suitably qualified and experienced personnel at Site to demonstrate to the Purchaser’s satisfaction that the required level of availability can be achieved and maintained.

C.7.1.3 The Supplier shall provide the Services of such personnel at Site within seven (7) days of notification by the Purchaser that the availability criteria have not been met in any one (1) month.

C.7.2 Guarantee

C.7.2.1 The Supplier shall guarantee that the Equipment supplied pursuant to the Contract shall be available to the Purchaser at the level herein after defined to perform to criteria of not less than that defined in the Technical Specifications incorporated in the Contract.

C.7.2.2 The Supplier shall guarantee that the Equipment shall be available to perform its duty to minimum criteria and to the minimum availability percentage level as defined in the individual Equipment specifications included in the Technical Specifications. The method of assessment applied shall be as follows:

Method of Assessment:

The following calculation shall determine the availability of the Equipment:

\[
\% \text{Availability} = \frac{\text{Scheduled Available Time - Downtime}}{\text{Scheduled Available Time}} \times 100
\]
Section VI- Technical Specifications

Scheduled Available Time shall equate to 24 hours daily.

Downtime:-

Downtime shall mean all hours of work lost due to mechanical, electrical or other failure, including:

a) routine servicing and maintenance in accordance with the manufacturer's published recommendations, including: Changing oils, oil filters and air filters; lubrication; changing identified consumable or wearparts.
b) planned preventative maintenance programmes;

It shall not however include:
I. damage due to abusive use or incorrect operation methods by the purchaser;
II. accidents;
III. strikes or stoppage of work by the Purchaser's personnel;
IV. natural disaster;
V. lack of Spare Parts not attributable to a failure of the Supplier, it's Agents or Representatives.

Downtime shall also specifically include all hours lost due to failures determined to be guarantee failures.

The Supplier shall provide a schedule of maintenance required to carry out (a) and (b) above for the first Four (01+03) years of operation and shall state the number of hours required to carry out each maintenance task. The time stated shall, with the agreement of the Purchaser, form the basis of the assessment of the availability.

This schedule of tasks and time will be reviewed periodically by the Purchaser and the Supplier, jointly, to monitor the practicality of the schedule.

The Purchaser will assist the Supplier, without relieving the Supplier of any other obligations under the Contract, to achieve the guaranteed availability by:
1. Providing normal and proper maintenance, including preventative maintenance in accordance with the Supplier’s standard/published recommendations, and making all necessary repairs using only spare parts provided by the Supplier in accordance with the requirements specified in part C6.
2. Providing co-operation to all Suppliers’ authorized representatives, complying with all reasonable procedural suggestions to improve efficiency of machine operation or reduce down time.
3. Where appropriate, providing and maintaining such conditions as:
   - Proper Electrical Supply
   - Terrain Area
   - Bench Preparation
   - Reasonable Floor Conditions
4. Providing all Suppliers’ authorised representatives access at all reasonable times to the machine service and repair facilities.
5. Maintaining a logbook for each shift wherein the working hours, breakdown hours, maintenance hours, idle hours, etc. shall be recorded. This record will be available for examination and signature by the Supplier’s representative.
Section VI- Technical Specifications

C.7.3 Effect and Duration of Guarantee

C.7.3.1 This Guarantee shall become effective on the day on which the Equipment is commissioned at the Site. Commissioning shall be evidenced by the issue of the Purchaser's Acceptance Certificate.

C.7.3.2 This guarantee shall remain effective for Forty Eight (48) months from the date of commissioning irrespective of the hours operated by the Equipment during the period of the guarantee.

C.7.3.3 Compensation for not achieving Guaranteed Availability

In the event that Equipment fails to achieve the Availability here in provided, measured over each twelve (12) month period, the Supplier shall be liable for and pay to the Purchaser, as liquidated damages, a sum equal to as indicated hereunder for each equipment against the PBG submitted by the bidder as per clause-2 of SCC

a. 1% of the delivered landed price of the equipment including average price of spares & consumables for the year in which the machine could not achieve the guaranteed availability for reduction in every percentage or part thereof from the Guaranteed Availability for the first 5% & will be deducted at the end of respective year.

b. 10% of the delivered landed price of the equipment including average price of spares & consumables for the year in which the machine could not achieve the guaranteed availability for reduction beyond 5% from the guaranteed availability & will be deducted at the end of respective year.

C.8 Deemed Breakdown

When the supplier is unable to supply the replacement of a failed part during the contract period, and if the machine is commissioned by using the spares from the stock of the project, the period after 21 days till the supplier replaces the part shall be treated as ‘deemed breakdown’ (the credit for keeping machine available shall not be given to the supplier.)

The supplier shall not in any way be allowed to take out spare parts from other equipment, which are under breakdown and covered under warranty. Even if the equipment is commissioned by taking out spare parts from any other breakdown equipment in the interest of BCCL, it shall be treated as ‘deemed breakdown’ till the supplier replaces the spare parts.

C.9 Composite-warranty/guarantee
The supplier shall warrant that the equipment supplied under this contract is:

a. In accordance with the contracts specifications.

b. The equipment shall have no defects arising out of design, material or workmanship & the complete equipment shall be warranted for 12 months from the date of commissioning. Any defect arising observed on this account will have to be attended immediately.
Section VI- Technical Specifications

c. The supplier must ensure that there is no major breakdown due to manufacturing /design defects during the warranty period. In case such breakdown occurs, the purchaser reserves the right to extend the warranty period suitably.

The warranty shall cover for total equipment so that comprehensive responsibility lies only with the equipment supplier although components may be supplied by different suppliers to the bidder.

C.10 Special Condition
The machines under supply against this tender should have the same major assys. / sub assys. which were fitted on the machines supplied against CIL’s last supply order. In case any change is contemplated prior clearance of BCCL will be necessary.

C.11 Quality Assurance

C.11.1 The Supplier should furnish in detail its quality assurance plan for various stages of manufacture. The Quality Assurance plan shall comply with an internationally recognised quality assurance standard such as ISO 9000 or its equivalent merit acceptable to BCCL.

C.11.2 The Supplier shall provide facilities to Purchaser or their authorised representatives for progress inspection during manufacture at his works and furnish all test data available in this regard for quality control, both for bought-out items and his own manufactured items.

C.11.3 The Purchaser or his agent, when so required by him, shall also be provided with samples of “bought-out” materials for the purposes of undertaking independent tests, which independent tests shall be at the expense of the Purchaser.

C.12 After Sales Service / Product Support:
The Supplier must have adequate facility for product support for such machines in India with nearest Depot/Warehouse, service facility and personnel. Details of such facilities are to be mentioned as at clause 7.1.b of Equipment specification.
PART D:- EQUIPMENT SPECIFICATIONS

EQUIPMENT SPECIFICATION OF DIESEL POWERED HYDRAULIC EXCAVATOR WITH 5-6 M3 BACK-HOE BUCKET

1. Scope of specification:

This specification is intended to cover the technical requirements for the design, manufacture, testing, delivery, on-site erection and commissioning of a self-propelled, crawler mounted diesel powered hydraulic excavator with 5-6 m3 Back-Hoe bucket.

2. References:

The following International Standards are referred to in, and form part of, the Specification. The supplier has to provide the relevant portion of ISO indicated below as reference:-

ISO 2867    Earth moving machinery - Access system
ISO 3457    Earth moving machinery - Guards and shields - Definitions and specifications.
ISO 6014    Earth moving machinery - Determination of Ground Speed
ISO 6015    Earth moving machinery - Hydraulic excavators - Method of measuring tool forces
ISO 6405-1  Earth moving machinery - Symbols for operator controls and other displays - part 1 : Common symbols.
ISO 6405-2  Earth moving machinery - Symbols for operator controls and other displays - part 2 : Specific symbols for machines, equipment and accessories.
ISO 6750    Earth moving machinery - Operation and maintenance - Format and contents of manuals
ISO 7135    Earth moving machinery - Hydraulic excavators - Terminology and commercial specifications
ISO 7451    Earth moving machinery - Hydraulic excavators – Hoe type buckets – volumetric ratings
ISO 8643    Earth moving machinery - Hydraulic excavator and back-hoe loader boom lowering control device - Requirements and tests
ISO 9249    Earth moving machinery – Engine test code – Net power.
ISO 10567   Earth-moving machinery – Hydraulic excavator – Lift capacity
ISO 10265   Earth-moving machinery – Crawler machines – Performance requirements and test procedures for braking systems.
ISO 10968   Earth-moving machinery - Excavators - Operator’s controls
Any other ISO specifications as may be applicable

3. Design Criteria:

The excavator shall be capable of continuous digging for protracted periods on a system of 3 shifts each of 8 hours duration per day throughout the year in hard, highly abrasive, blasted sand-stone/rock having a density after blasting of 1800 kg/m3, or in coal having a density, after blasting of 1,150 kg/m3.
Section VI- Technical Specifications

The excavator shall be suitable for 2:1 heaped loading of rear Dumpers with capacities ranging from 35 tonnes to 85 tonnes.

The excavator shall have the following working ranges:

<table>
<thead>
<tr>
<th>Type</th>
<th>Minimum Reach</th>
</tr>
</thead>
<tbody>
<tr>
<td>a) Maximum digging height</td>
<td>not less than 11.0 m</td>
</tr>
<tr>
<td>b) Maximum digging reach</td>
<td>not less than 12.0 m</td>
</tr>
<tr>
<td>c) Maximum digging depth</td>
<td>not less than 7.0 m</td>
</tr>
<tr>
<td>d) Maximum dumping height</td>
<td>not less than 8.0 m</td>
</tr>
</tbody>
</table>

The bucket digging force measured in accordance with ISO 6015 should be not less than 15,000 kgf/m of bucket width.

The ratio of arm or bucket digging force to operating weight should be equal to or less than 0.6.

The equipment shall be meeting the stability requirement in all operating ranges.

4. Mechanical Specification:

4.1 Bucket

The excavator shall be supplied with standard rock bucket, completely wear-plated to excavate sandstone abrasive rock having rock density (loose/blasted) of 1800 kg/m³. The backhoe bucket shall have capacity of 5-6 cum rated according to ISO 7451. The specific weight of the bucket material shall be not less than 7800 kg/m³. The tooth points supplied with the bucket shall also be hard faced and should have proper, durable, easily removable and shock absorbing type attachment with the bucket.

4.2 Front End Equipment

The boom and arm should be a rugged durable construction of high strength steel and free from any stress concentrations. The design must take care of all forces, i.e., bending, torsion, compression, etc. encountered during operation of the equipment. Sealed bearings should be provided at pivot points. The bucket attachment connecting pins shall be sealed and lubricated.

A Boom lowering control system which complies with ISO 8643 shall be provided.

4.3 Engine

The excavator shall be powered by suitable direct injection 4-stroke turbo-charged diesel engine delivering not less than 400kW net power measured between 1700 and 2200 rpm according to ISO 9249. The engine shall be provided with 24V electric starting, dry type 2-stage air-cleaner with dust evacuator and dust level indicator and 2-stage fuel filter with water separator. The engine shall have a water jacket cooling system, thermostatically controlled, using an engine driven water pump, with the cooling water re-circulated through a heavy-duty radiator. The system shall be capable of providing sufficient cooling to allow the excavator to continuously operate at the full rated output at the maximum ambient temperature. The moving parts of the engine shall be lubricated by an engine driven oil pump, with full flow oil filtration and cooling. The engine should be environment friendly, fuel efficient and provided with an over speed governor.

Each sector of swing rack segment shall be fastened suitably and fitted on machined base surface without using shims for adjustment to achieve maximum contact area or latest version if any.
Section VI- Technical Specifications

Suitable means of access with removable covers shall be provided for maintenance and inspection.

4.4 Operating Weight

Operating weight of the machine should not be less than 90,000 kg for the definite boom, arm and bucket combination offered in the bid.

4.5 Hydraulic drive System

The Excavator hydraulic drive system for traction, slew and attachment operations shall be of proven design, Load sensing type, powered by heavy duty high pressure variable displacement main pump/pumps. The pumps outputs shall be regulated as per Load demand for maximum operating and power efficiency and minimal hydraulic power losses. The hydraulic pumps, motors and cylinders should be field proven large heavy duty type and have suitable in-built protection from surge, cavitations, loss of oil due to hose leakage or burst, etc. As far as practicable reputable single make pumps, motors, cylinders and valves, etc. shall be used in the machine. 
Adequate filtration of hydraulic oil shall be provided. The hydraulic tank should preferably be pressurised.
The hydraulic system shall be provided with adequate capacity air cooled hydraulic oil coolers to take care of system internal heat load built-up in the specified operating ambient temperature of the mine and to limit the hydraulic oil temperature to a level so that optimum hydraulic oil is maintained for optimum pump/ motor life as per the pump/motor manufacturers stipulations.

All hoses shall be grouped as far as possible and suitably clipped to reduce damage from scuffing. Fire resistant /heat resistant /retarder hydraulic hoses in place of ordinary hoses to decrease the chance fire.

4.6 Swing System

An independent hydraulic system with high torque should be provided for the swing motion. Heavy duty Swing Circle with internal swing gear and pinion immersed in lubricant bath & dirt seals shall be provided. Swing Motor Brake should be provided. An upper structure swing lock/ suitable arrangement to lock the upper structure shall be provided.

4.7 Propel and Steering

Independent crawler drive with independent fail-safe braking system and hydraulically operated emergency and parking brakes which comply with ISO 10265 shall be provided.

4.8 Undercarriage

The undercarriage shall be heavy duty and of sufficient strength to withstand the high loads which may occur due to uneven ground conditions. It shall be of welded construction and stress relieved as required. The sprocket should be a single piece type. Lifetime lubricated idler and rollers, and a reliable track tensioning arrangement should be provided.
Section VI- Technical Specifications

Crawler shoes shall be heavy duty and designed for ease of replacement whenever necessary. The weight of the undercarriage should preferably be 40 to 45% of the operating weight of the machine.

4.9 Machinery House

The Excavator shall be provided with machinery house made of steel sheet supported by a steel structure and shall cover the engine & drive system. It shall be designed to give ready and safe access to personnel & equipment for maintenance. Non-slip type walkways and catwalks with handrails shall be provided in and around the machinery house, the operator’s cab and service platforms and shall comply with ISO 2867.

4.10 Lubrication System:

A centralized automatic lubrication system of positive pressure type should be provided with warning alarms for failure of lubrication system. Lubricant containers of adequate size shall be located in a separate room / enclosure inside the machinery house or in a suitable safe Area/location. Sufficient numbers of suitable capacity lubricating pumps shall be provided. The containers shall be fitted with suitable arrangement for cleaning and refilling. All lubrication lines and injectors shall be protected from damage. Location of all injectors shall be such that these can be conveniently inspected and repaired. The lubrication lines to the boom point should be properly guided. Flexible lines shall only be used where there is relative movement between parts and for final connection to movable components. Steel piping shall be used for long runs and shall terminate in steel junction blocks to prevent disturbance to steel piping when flexible hoses are replaced. Lubricants recommended shall be of reputed make with Indian equivalent.

4.11. Operator’s Cab:

A fully insulated, sound suppressed, FOPS operator’s cab with standard air conditioning system containing environmentally safe refrigerant, front guard, tinted safety glass, wind shield wiper and washer should be mounted on rubber shock absorbers and elevated to facilitate a clear and unrestricted view of the operating area. The operator's seat shall be a fully adjustable bucket type with foam rubber cushion and best quality upholstery. A cooling fan shall also be provided. All operating controls, gauges (with colour indication for safe and unsafe working), monitoring and working signals should be conveniently located in consoles within easy reach of the operator and shall comply with ISO 10968, ISO 6405-1 and ISO 6405-2. Heavy duty cabin locks should be provided.

The offered equipment shall be provided with user friendly Equipment health electronic monitoring system for highest reliability using latest advance technology to provide service information along with a troubleshooting program. The system shall record vital parameters through sensor & switches and compare with stored reference value for identification of malfunctioning in time, before major damage occurs in the machine, which can be monitored on board as well as off board using electronic tool (laptop/ palmtop) using compatible software & accessories for data link. The Vital operating data shall be displayed on a monitor in the operator’s cabin.
Section VI- Technical Specifications

4.12 Guards & Shields:

Adequate guards and shields which comply with ISO 3457 shall be provided throughout the excavator.

4.13 Fire Extinguishers:

An adequate number (minimum two nos) of fire extinguishers shall be provided at strategic points on the excavator, suitably mounted in heavy duty brackets for ease of removal. The extinguishers shall be dry powder (cartridge type) with a minimum capacity of 5 kg and shall comply with Indian Standards IS: 2171.

4.14 Lighting:

Adequate flood lighting and illumination at strategic points both outside and inside of the machine shall be provided for visual observation and night shift operation.

4.15 Warning Alarms:

Audio visual warning alarm system shall be provided for the following:
- Low engine oil pressure
- High coolant temperature
- High Hydraulic Oil Temp
- Failure of lubrication of Automatic Centralised Lubrication system

4.16 Gauges and Indicators:

The following shall be provided:
- Water temperature gauge
- Engine oil pressure gauge/indicator
- Fuel capacity gauge/indicator
- Engine tachometer
- Engine hour-meter
- Coolant level Indicator
- Hydraulic oil level indicator
- Air filter clogging indicator

WHEREAS the BUYER proposes to procure ..................................................... (Name of the Stores/Equipment/Item) and the BIDDER/Seller is willing to offer/has offered the stores and

WHEREAS the BIDDER is a private company/public company/Government undertaking/ partnership/ registered export agency, constituted in accordance with the relevant law in the matter and the BUYER is a Central Public Sector Unit.

NOW, THEREFORE,

To avoid all forms of corruption by following a system that is fair, transparent and free from any influence/prejudiced dealings prior to, during and subsequent to the currency of the contract to be entered into with a view to

Enabling the BUYER to obtain the desired said stores/equipment at a competitive price in conformity with the defined specifications by avoiding the high cost and the distortionary impact of corruption on public procurement, and

Enabling BIDDERs to abstain from bribing or indulging in any corrupt practice in order to secure the contract by providing assurance to them that their competitors will also abstain from bribing and other corrupt practices and the BUYER will commit to prevent corruption, in any form, by its officials by following transparent procedures.

The parties hereto hereby agree to enter into this Integrity Pact and agree as follows:

**Section 1- Commitments of the PRINCIPAL**

1. **The principal commits itself to take all measures necessary to prevent corruption and to observe the following principles:**

1.1 No employee of the principal, personally or through family member, will in connection with the tender for or the execution of the contract, demand; take a promise for or accept, for self or third person, any material or immaterial benefit which the person is not legally entitled to.
1.2 The Principal will, during the tender process treat all BIDDERs with equity and reason. The Principal in particular before and during the tender process will provide to all BIDDERs the same information and will not provide to any Bidders conditional/additional information through which BIDDERs could obtain in relation to the tender process or the contract execution.

1.3 Principal will exclude from the process all known prejudiced persons.

2. If the Principal obtains information on the conduct of any of its employees which is a criminal offence under the IPC/PC Act, or if there be a substantive suspicion in this regard, the Principal will inform the Chief Vigilance Officer and in addition can initiate disciplinary actions.

Section 2- Commitments of BIDDERs/Contractors

(1) The Bidder(s) / Contractor(s) commit themselves to take all measures necessary to prevent corruption. The Bidder(s)/ Contractor(s) commit themselves to observe the following principles during participation in the tender process and during the contract execution.

a. The Bidder(s) / Contractor(s) will not, directly or through any other person or firm, offer, promise or give to any of the Principal's employees involved in the tender process or the execution of the contract or to any third person any material or other benefit which he/she is not legally entitled to, in order to obtain in exchange any advantage of any kind whatsoever during the tender process or during the execution of the contract.

b. The Bidder(s) / Contractor(s) will not enter with other Bidders into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, subsidiary contracts, submission or non-submission of bids or any other actions to restrict competitiveness or to introduce cartelisation in the bidding process.

c. The Bidder(s)/ Contractor(s) will not commit any offence under the relevant IPC/PC Act; further the Bidder(s)/ Contractor(s) will not use improperly, for purposes of competition or personal gain, or pass on to others, any information or document provided by the Principal as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.

d. The Bidder(s) / Contractors(s) of foreign origin shall disclose the name and address of the Agents/representatives in India, if any, similarly the Bidder(s)/Contractors(s) of Indian Nationality shall furnish the name and address of the foreign principals, if any. Further details as mentioned in the "Guidelines on Indian Agents of Foreign Suppliers" shall be disclosed by the Bidder(s)/ Contractor(s). Further, as mentioned in the Guidelines all the payments made to the Indian agent/representative have to be in Indian Rupees only. The guidelines and terms and conditions for Indian agents of Foreign supplier shall be as per the provisions at Annexure-I of this document.

e. The Bidder(s)/ Contractor(s) will, when presenting their bid, disclose any and all payments made, are committed to or intend to make to agents, brokers or any other intermediaries in connection with the award of the contract.
f. Bidder(s) / Contractor(s) who have signed the Integrity Pact shall not approach the Courts while representing the matter to IEMs and shall wait for their decision in the matter.

(2) The Bidder(s)/ Contractor(s) will not instigate third persons to commit offences outlined above or be an accessory to such offences.

Section 3 - Disqualification from tender process and exclusion from future contracts

If the Bidder, before contract award, has committed a transgression through a violation of Section 2 or in any other form such as to put his reliability or credibility as Bidder into question, the Principal is entitled to disqualify the Bidder from the tender process or to terminate the contract, if already signed, for such reason.

(1) If the Bidder / Contractor / Supplier has committed a transgression through a violation of Section 2 such as to put his reliability or credibility into question, the Principal is also entitled to exclude the Bidder / Contractor / Supplier from future contract award processes. The imposition and duration of the exclusion will be determined by the severity of the transgression. The severity will be determined by the circumstances of the case, in particular the number of transgressions, the position of the transgressors within the company hierarchy of the Bidder and the amount of the damage. The exclusion will be imposed for a minimum of 6 months and maximum of 3 years.

(2) A transgression is considered to have occurred if the Principal, after due consideration of available facts and evidences within his / her knowledge concludes that there is a reasonable ground to suspect violation of any commitment listed under Section 2 i.e. "Commitments of Bidder(s) / Contractor(s)".

(3) The Bidder accepts and undertakes to respect and uphold the Principal's absolute right to resort to and impose such exclusion and further accepts and undertakes not to challenge or question such exclusion on any ground, including the lack of any hearing before the decision to resort to such exclusion is taken. This undertaking is given freely and after obtaining independent legal advice.

(4) If the Bidder / Contractor / Supplier can prove that he has restored / recouped the damage caused by him and has installed a suitable corruption prevention system, the Principal may revoke the exclusion prematurely."

Section 4 - Compensation for Damages

(1) If the Principal has disqualified the Bidder(s) from the tender process prior to the award according to Section 3, the Principal is entitled to demand and recover the damages equivalent to Earnest Money Deposit/ Bid Security.

(2) If the Principal has terminated the contract according to Section 3, or if the Principal is entitled to terminate the contract according to Section 3, the Principal shall be entitled to demand and recover from the Contractor liquidated damages of the Contract value or the amount equivalent to Performance Bank Guarantee.

Section 5 - Previous transgression
Section VII- Sample Forms

(1) The Bidder declares that no previous transgressions occurred in the last three years with any other Company in any country conforming to the anti-corruption approach or with any Public Sector Enterprise in India that could justify his exclusion from the tender process.

(2) If the Bidder makes incorrect statement on this subject, he can be disqualified from the tender process or action can be taken as per the procedure mentioned in "Guidelines on Banning of business dealings".

Section 6 -- Equal treatment of all Bidders / Contractors / Subcontractors

(1) In case of Sub-contracting, the Principal Contractor shall take the responsibility of the adoption of Integrity Pact by the Sub-contractor.

(2) The Principal will enter into agreements with identical conditions as this one with all Bidders and Contractors.

(3) The Principal will disqualify from the tender process all bidders who do not sign this Pact or violate its provisions.

Section 7 - Criminal charges against violating Bidder(s) / Contractor(s) / Subcontractor(s)

If the Principal obtains knowledge of conduct of a Bidder, Contractor or Subcontractor, or of an employee or a representative or an associate of a Bidder, Contractor or Subcontractor which constitutes corruption, or if the Principal has substantive suspicion in this regard, the Principal will inform the same to the Chief Vigilance Officer.

Section 8- Independent External Monitor

(1) The Principal appoints competent and credible Independent External Monitor for this Pact after approval by Central Vigilance Commission. The task of the Monitor is to review independently and objectively, whether and to what extent the parties comply with the obligations under this agreement.

(2) The Monitor is not subject to instructions by the representatives of the parties and performs his/ her functions neutrally and independently. The Monitor would have access to all Contract documents, whenever required. It will be obligatory for him / her to treat the information and documents of the Bidders/Contractors as confidential. He/ she reports to the Chairman, Coal India Limited / CMD, Subsidiary Companies.

(3) The Bidder(s) / Contractor(s) accepts that the Monitor has the right to access without restriction to all Project documentation of the Principal including that provided by the Contractor. The Contractor will also grant the Monitor, upon his/ her request and demonstration of a valid interest, unrestricted and unconditional access to their project documentation. The same is applicable to Sub-contractors.

(4) The Monitor is under contractual obligation to treat the information and documents of the Bidder(s) / Contractor(s) / Sub-contractor(s) with confidentiality. The Monitor has also signed declarations on 'Non-Disclosure of Confidential Information' and of Absence of Conflict of Interest'. In case of any conflict of interest arising at a later date, the IEM shall inform Chairman, Coal India Limited / CMD, Subsidiary Companies and recuse himself / herself from that case.

(5) The Principal will provide to the Monitor sufficient information about all meetings among the parties related to the Project provided such meetings could have an impact on the
contractual relations between the Principal and the Contractor. The parties offer to the Monitor the option to participate in such meetings.

(6) As soon as the Monitor notices, or believes to notice, a violation of this agreement, he/she will so inform the Management of the Principal and request the Management to discontinue or take corrective action, or to take other relevant action. The monitor can in this regard submit non-binding recommendations. Beyond this, the Monitor has no right to demand from the parties that they act in a specific manner, refrain from action or tolerate action.

(7) The Monitor will submit a written report to the Chairman, Coal India Limited/ CMD, Subsidiary. Companies within 8 to 10 weeks from the date of reference or intimation to him by the Principal and, should the occasion arise, submit proposals for correcting problematic situations.

(8) If the Monitor has reported to the Chairman, Coal India Limited/ CMD, Subsidiary Companies, a substantiated suspicion of an offence under relevant IPC/ PC Act, and the Chairman, Coal India Limited/ CMD, Subsidiary Companies has not, within the reasonable time taken visible action to proceed against such offence or reported it to the Chief Vigilance Officer, the Monitor may also transmit this information directly to the Central Vigilance Commissioner.

(9) The word 'Monitor' would include both singular and plural.

Section 9 - Pact Duration

This Pact begins when both parties have legally signed it. It expires for the Contractor 12 months after the last payment under the contract, and for all other Bidders 6 months after the contract has been awarded. Any violation of the same would entail disqualification of the bidders and exclusion from future business dealings. If any claim is made/ lodged during this time, the same shall be binding and continue to be valid despite the lapse of this pact as specified above, unless it is discharged/ determined by Chairman, Coal India Limited/ CMD, Subsidiary Companies.

Section 10 - Other provisions

(1) Changes and supplements as well as termination notices need to be made in writing. Side agreements have not been made.

(2) If the Contractor is a partnership or a consortium, this agreement must be signed by all partners or consortium members.

(3) Should one or several provisions of this agreement turn out to be invalid, the remainder of this agreement remains valid. In this case, the parties will strive to come to an agreement to their original intentions.

(4) Issues like Warranty/ Guarantee etc. shall be outside the purview of IEMs.

(5) In the event of any contradiction between the Integrity Pact and its Annexure, the Clause in the Integrity Pact will prevail.
Section VII- Sample Forms

Section 11- Facilitation of Investigation

In case of any allegation of violation of any provisions of this Pact or payment of commission, the BUYER or its agencies shall be entitled to examine all the documents including the Books of Accounts of the BIDDER and the BIDDER shall provide necessary information and documents in English and shall extend all possible help for the purpose of such examination.

Section 12- Law and Place of Jurisdiction

This Pact is subject to Indian Law. The place of performance and jurisdiction is the seat of the BUYER.

Section 13 - Other Legal Actions.

The actions stipulated in this Integrity Pact are without prejudice to any other legal action that may follow in accordance with the provisions of the extant law in force relating to any civil or criminal proceedings.

Guidelines for Indian Agents for Foreign supplier

1. Authorised Indian Agent of a foreign manufacturer or indigenous manufacturer is also eligible to quote on behalf of its principal against the tender, in case manufacturer as a matter of corporate policy does not quote directly. However, in such case, authorised Indian Agent shall have to upload scanned copy of tender specific Manufacturer's Authorization; signed and stamped by the manufacturer to quote against the CIL Tender, indicating the Tender Reference No. and date along with the offer. The authorised Indian Agent is to upload scanned copies of details in respect of its organization along with the copies of document like certificate of incorporation / registration etc. along with the offer. The firm (Indian Agent) should be in existence for 3 years on the date of tender opening, irrespective of date of appointment as Indian Agent.

In case an Indian Agent is participating in a tender on behalf of one manufacturer, it is not allowed to participate / quote on behalf of another manufacturer in this tender or in a parallel tender for the same item. Further, in a tender, either manufacturer can quote or its authorised Indian Agent can quote but both are not allowed to participate/ quote in the same tender. Also one manufacturer can authorise only one agent to quote in the same tender. All the bids, not quoted as per the above guidelines, will be rejected.

2. The Foreign manufacturer must indicate the name & address of its agent in India. It should also indicate the commission payable to them and the specific services rendered by them. The Indian Agency commission will be payable only on FOB prices of goods and it should be quoted as a percentage of the FOB price. In case, the foreign manufacturer does not have any Indian Agent, it should be clearly mentioned in the bid. In terms of Integrity Pact, the bidder has also to disclose all payments to agents, brokers or any other intermediaries.

The amount of agency commission payable to Indian Agent should not exceed 5% or what is specified in agency agreement, whichever is lower.

3. In addition to above A certificate that no commission is payable by the principal supplier to any agent, broker or any other intermediary against this contract other than percentage as indicated in BOQ (not exciding 5% of FOB) of FOB value of the contract to Indian Agent. This certificate forms a part of letter of credit.

4. The payment of Indian Agency Commission, if any, involved, may be considered in case of necessity, subject to compliance of the Government of India guidelines issued from time to time. The name of the Indian Agent with their full address and the quantum of Agency commission if any, payable shall have to be mentioned in the offer by the foreign manufacturer.

The following documents shall be submitted by the bidder in case of contract with foreign principals involving Indian agents:

i. Foreign principal's pro-forma invoice or any other authentic document indicating the commission payable to the Indian agent, nature of after sales service to be rendered by the Indian Agent and the precise relationship between the Principal and the Agent and their mutual interest

ii. Copy of the agency agreement if any with the foreign principal stating the precise relationship between them and their mutual interest in the business.

However, if all the details given in Para — (i) are complied with, the requirement
Section VII- Sample Forms

of submission of document mentioned at Para — (ii) may be waived.

5. Agency commission, if any, shall be paid in equivalent Indian Rupees.
