## Section-III

### Terms and Conditions of Contract

1. At any time prior to the deadline for submission of bids, Embassy of India, Tokyo may, for any reason, whether on its own initiative or in response to the clarification requested by a prospective bidder, modify the tender document.
2. Embassy of India award the contract to the eligible bidder whose technical tender has been accepted and determined as the lowest evaluated commercial tender. The lowest price criteria shall be applied on the total.
3. Interpretation of the clauses in the Tender Document/contract Document. In case of any ambiguity/dispute in the interpretation of any of the clauses in this Tender documents, Embassy of India, Tokyo's interpretation of the clauses shall be final and binding on all parties.
4. The successful bidder, on award of contract must send the contract acceptance in writing within 3 working days of the award of contract; otherwise the Contract will be awarded to the next successful bidder i.e. L-2.
5. No request for revision/increase of approved rates during the currency of tenure will be entertained.
6. Validity of Bid -The Bid shall remain valid for a period of **180 days** from the date of the opening of the bid or up to any mutually extended period.
7. The firm would be responsible for its workers in terms of their antecedents and conduct, service performance and behavior as also the payment of salaries, compensation etc.
8. Lump Sum Fixed Price Tender - This is a **LUMPSUM FIXED PRICE TENDER** with Extent of Work as shown on scope of works. The Tenderer shall examine the scope of work and other Documents and all Addenda (if any) before submitting his Tender and shall become fully informed as to the extent, quality, type and character of operations involved in the Works. The Tenderer shall visit and acquaint himself with the Site of the Work. The tenderer shall take entire responsibility in the interpretation of this report and of the site conditions. No consideration or compensation will be given for any alleged misunderstanding of the nature of the work to be executed.
9. Tender and Schedule of Quantities -
  - (i) Bidders shall satisfy themselves of the quantities quoted in the Schedule of Quantities. These quantities shall be taken as guidance to assess the approximate quantum of work involved in the project. The Contractor prior to the submission of the tender, may add to items, quantities to the items in Schedule of Quantities as per the scope of the work, and site visit. It shall be the responsibility of the bidder to satisfy himself of the completeness of the documents for the scope of work and his own assessment of the work after site visit and as per the tentative scope of work mentioned in tender document. No extra cost shall be entertained and payable if any additional information or detail is provided later for carrying out the works as specified in the tender documents.
  - (ii) Bidders are required to quote Lump-sum fixed prices on "Form of Tender". Bidders may prepare schedule of quantity as per scope of work identifying item description, quantity and rates. The total amount of schedule of quantity prepared by them should be transferred to Form of Tender.

(iii) The Lump-sum Fixed Price/amount must be quoted both in figures and in words on the Form of Tender and the currency must be in JPY only. In case of any discrepancy between figures or words, the amount quoted in words shall be taken to be correct for this tender.

10. Final Tender Price- Decision on bid will be taken based on the final price quoted on the Form of Tender. Lump-sum Fixed Price/Amount as quoted in the "Form of Tender" shall be the basis for deciding the tender quote and the L1 bidder. In case of any mismatch in the final quoted price on Form of Tender and Total amount worked out on rates in Schedule of Quantities, the final price quoted on Form of Tender shall be considered for comparison of bids and decision on bid.

If amount quoted on Form of Tender is more than amount worked out on Schedule of Quantities, the rates in the Schedule of Quantities shall not be altered/adjusted. If amount quoted on Letter of Tender is less than amount worked out on Schedule of quantities, the rates on schedule of quantities shall be adjusted in the ratio to match with quoted final price on the Form of Tender.

11. Bidders would be required to furnish the information and submit documents, as per the attached proforma and would quote prices strictly on Lump Sum basis only. Price quoted should be on all-inclusive basis and shall include the cost of all services, personnel, material, transportation etc. Technical information should be given in separate envelope.

12. Quoted price is final fixed lump-sum price inclusive of all taxes. Item I quantity indicated in the scope of work I schedule of quantity are tentative and some variation during execution may take place.

13. Earnest Money Deposit -Banker's cheque/Bank Guarantee in favour of Embassy of India, Tokyo.

14. Disqualification of Tender -Tender may be disqualified for any reason including, but not limited to the following:

- a) If tenderer sets forth any conditions which are unacceptable to the Employer.
- b) If any tender is submitted under a name other than the name of the individual firm, partnership or corporation that was issued the Tender Document.
- c) If there is evidence of collusion between Bidders.
- d) If Tender sets forth any offer to conditionally discount, reduce or modify its tender.
- e) If Bid price is disclosed before opening of Financial Bid.

15. Employer's right to waive - The Employer reserves the right to waive any deficiency in any tender where such waiver is in the interest of the Employer except that no proposal will be accepted if the Earnest Money Deposit (EMD) or/any of the preceding statutory documents was not submitted with the tender.

16. Defects liability period: Defects Liability period will be 12 months from date of completion of work.
