

India MedTech Expo 2023
Helipad Exhibition Centre, Gandhinagar
Gujarat, India
(August 18-20, 2023)

Greetings from Embassy of India, Tokyo

We are pleased to inform that the Ministry of Chemicals and Fertilizers (Department of Pharmaceuticals), Government of India is organizing India MedTech Expo 2023 event on Medical Devices sector in association with Federation of Indian Chambers of Commerce and Industry (FICCI) from 18-20 August 2023 at Helipad Exhibition Centre, **Gandhinagar**, Gujarat with the focus to showcase India's journey and opportunities in the sector.

2. The event will create opportunities to network and explore collaborations, by bringing together all the stakeholders such as PLI participants, start-ups, MSMEs, Innovative entrepreneurs, R&D facilities, Incubators, public and private hospitals, academia, research institutions, investors, state governments, MedTech parks and the Government for taking the sector on a forward growth trajectory. Focused showcase on 'Evolving Technologies' will be the key highlight of the event, which will give outputs on three pillars of Knowledge, Experience and Networking. The event will create visibility of medical devices ecosystem in India and a brand identity for the Indian MedTech sector.

3. A brief presentation, elaborating on the vision of IMTE 2023 and draft program are enclosed for reference.

4. You are requested to kindly disseminate the information about the event among your members for their participation.

5. For any further query/ information regarding this event, participants are requested to contact Shri Praveen K. Mittal, Sr. Director-FICCI, at praveen.mittal@ficci.com / (Mobile: +91 9810401125).
