**Advisory for Re-Entry to Japan – 20 September 2021**

Japan has released the latest guidelines on border measures on 20 September 2021 to contain the spread of Coronavirus. The guidelines are applicable to all passengers arriving in Japan from India, including Japanese and foreign nationals. According to this, anyone who left Japan with a re-entry permit or valid resident card will be able to re-enter Japan from 20 September 2021. For detailed information in this regard, please visit the link at <https://www.moj.go.jp/isa/content/001347332.pdf>.

2. From 20 September, 2021, only 3 (three) days institutional quarantine at the designated accommodation will be required. It will be provided by the Japanese quarantine office, and it will be a part of the total 14 days of quarantine. All arriving passengers will be escorted to the hotel, and passengers do not have to book at their own.

b) Passengers are required to remain in the hotel for 3 days. Meeting persons from outside is not possible. After staying for 3 days, passengers will have COVID-19 test. Those who test negative are still required to self-quarantine at home for the remaining 11 days. They should not use public transportation from the airport. Please follow all guidelines of the Government of Japan, including downloading apps for contact tracing.
