Ref: AA / TL / 0112

Date: Oct 4, 2023

Dear Sir / Madam,

Subject: Expression of Interest (Eol) for Technology tie-up for Futuristic Infantry
Combat Vehicle (Tracked) Gun Version for Indian Army

Bharat Heavy Electricals Limited (BHEL) is a leading state-owned company, wherein Government of India is holding 63.17% of its equity. BHEL is an integrated power plant equipment manufacturer and one of the largest engineering and manufacturing organization in India, catering to the core infrastructure sectors of Indian economy viz. energy, transportation, heavy engineering industry, defense, renewable and non-conventional energy.

BHEL is seeking response from the prospective Technology Collaborator(s), who are willing to be associated with BHEL through a license & technology collaboration agreement for joint development of Futuristic Infantry Combat Vehicle (Tracked) Gun Version for Indian Army to enable BHEL to Design, Engineer, Manufacture, Assemble, Test, Supply, Field Install, Commission, Repair, Service and Retrofit the Futuristic Infantry Combat Vehicle.

In this regard, BHEL has floated an Expression of Interest (Eol) seeking response from prospective collaborators who are meeting the requirements of the Eol and are willing to be associated with BHEL through a License & Technology Collaboration Agreement.

We solicit your kind support to advise commercial section of your High Commission/Embassy to publicise our Eol document among technology owners of Futuristic Infantry Combat Vehicle (Tracked) Gun Version. We have also uploaded the Eol at BHEL's website under Eol section.

Thanking you,

Yours sincerely,

(R.C. Sharma)
