

Logo Design Competition

The Government of India and Government of Japan have decided to declare year 2025-26 as the **India-Japan Year of Science, Technology and Innovation Exchange in order to commemorate the 40th Anniversary of the signing of the Intergovernmental MOU on Science and Technology Cooperation between India and Japan.** The Embassy of India in Japan invites all stakeholders and well-wishers in India and Japan to participate in a special Logo Design Competition. We welcome creative and meaningful designs that capture the essence of this enduring partnership.

TOP THREE ENTRIES WILL BE RECOGNISED AND AWARDED
