

# e-OCI (Electronic Overseas Citizen of India) Card

Government of India has introduced the Electronic Overseas Citizen of India (e-OCI) Card registration from 30.06.2026 for use by all new applicants, as well as existing OCI card holders.

## Key features of the e-OCI card:

- e-OCI is a digital card
- It can be downloaded by logging into the OCI Portal at <https://ociservices.gov.in>
- Existing OCI card will remain valid
- OCI Card will no longer be printed for new applicants as they will only receive the digital version.

## How to download your e-OCI Cardholders (For Existing OCI Cardholders)

1. Log in to the OCI Services Portal using your existing User ID and Password. If you are not already registered, complete the registration process using the e-mail address provided at the time of your OCI application.
2. Once logged-in, click on the e-OCI tab on the dashboard.
3. Your application details will now appear in the last column, click on Generate e-OCI card.
4. Your e-OCI Card will be generated and made available for download.
5. Download and save the e-OCI Card on your mobile phone. You can present the digital version at Immigration Check Posts and to airlines whenever required.

**You are no longer required to apply for a fresh OCI Card. Simply update your details ONLINE through the OCI Portal and download your updated e-OCI Card.**

**Here's the process:**

1. Visit the OCI Services Portal
2. Log in, Click online registration, and then select OCI Miscellaneous Services
3. Access your OCI profile by entering your:
  - Passport number last linked to your OCI Card
  - OCI Card number
  - Date of Birth
4. Select the required service:
  - Passport Particulars Updation
  - Personal Particulars Updation
  - Address/Occupation Updation
5. Complete the online application, upload the required documents and submit the application
6. Your application will be processed online by Indian Mission/FRRO
7. Once your application is approved, your updated OCI Card details will appear on the dashboard. Click on the e-OCI Card tab to generate and download your updated e-OCI Card.

**Important Notes:**

- OCI Cardholders updating their passport particulars after obtaining a new passport on or after attaining the age of 20 years are required to mandatorily update their biometric details at the concerned Indian Mission/FRRO office.
- Passport particulars must be updated within 90 days of issuance of a new passport. Ensure your application is submitted within 90 days to avoid late fees and visit to the Embassy. For details, please check our OCI section of the website.
