THE EVENT - IMME 2018

India is the world's third-largest producer of Coal, behind China and the U.S. and it is the largest producer of mica blocks and mica splitting's; ranks third in production of crude steel, 4th in production of Chromite, iron ore, 5th in Aluminum, 6th in manganese ore and also 7th in bauxite. CII - India's Largest Industry Association and Premier Exhibition organizer, is organizing the 14th edition of International Mining and Machinery Exhibition ((IMME 2018 from 31 October to 3 November, 2018 Kolkata, India) - The event is India's only focussed premier exhibition for the mining industry

IMME 2018 will showcase the Latest and diverse range of Mining machinery.Equipments, advanced technology solutions, services and supplies from India and companies from abroad. Since its inception in 1984 IMME has proven to be the largest mining exhibition which centers on bringing together the key players of the segment, contributing to the growth of the Mining segment in India.

GLOBAL MINING SUMMIT

Global Mining Summit (GMS) is the best initiative being organised concurrently with the International Mining Machinery Exhibition. Over the years Global Mining Summit has evolved into the best forum for the mining fraternity to converge. As the flagship initiative of the CII National Committee on Mining it draws key policy makers, mining experts, consultants and leading industry practitioners to deliberate on critical issues that impacts the industry. This cross-pollination of ideas lead to the development of a shared agenda for the industry to adopt which is aligned to changing global demands The event is scheduled to be held on 31 October and 1 November, 2018 at the Mistika Banquet Eco Park, Kolkata which is located next to the exhibition.

CONFEDERATION OF INDIAN INDUSTRY (CII)

Confederation of Indian Industry

The Confederation of Indian Industry (CII) works to create and sustain an environment conducive to the development of India, partnering industry, Government, and civil society, through advisory and consultative processes.

CII is a non-government, not-for-profit, industry-led and industry-managed organization, playing a proactive role in India's development process. Founded in 1895, India's premier business association has around 9000 members, from the private as well as public sectors, including SMEs and MNCs, and an indirect membership of over 300,000 enterprises from around 265 national and regional sectoral industry bodies.

CII charts change by working closely with Government on policy issues, interfacing with thought leaders, and enhancing efficiency, competitiveness and business opportunities for industry through a range of specialized services and strategic global linkages. It also provides a platform for consensus-building and networking on key issues.

Extending its agenda beyond business, CII assists industry to identify and execute corporate citizenship programmes. Partnerships with civil society organizations carry forward corporate initiatives for integrated and inclusive development across diverse domains including affirmative action, healthcare, education, livelihood, diversity management, skill development, empowerment of women, and water, to name a few.

As a developmental institution working towards India's overall growth with a special focus on India@75 in 2022, the CII theme for 2018-19, India RISE : Responsible. Inclusive. Sustainable. Entrepreneurial emphasizes Industry's role in partnering Government to accelerate India's growth and development. The focus will be on key enablers such as job creation; skill development; financing growth; promoting next gen manufacturing; sustainability; corporate social responsibility and governance and transparency.

With 65 offices, including 9 Centres of Excellence, in India, and 11 overseas offices in Australia, China, Dubai, Egypt, France, Germany, Iran, Singapore, South Africa, UK, and USA, as well as institutional partnerships with 355 counterpart organizations in 126 countries, CII serves as a reference point for Indian industry and the international business community.
