

INDIASOFT 2021: International IT Exhibition & Conference March 9-12, 2021.

Dear Sir/Ma'am,

The Embassy of India, Tokyo would like to inform you that the Electronics and Computer Software Export Promotion Council (ESC) is organizing " **INDIASOFT 2021: International IT Exhibition & Conference**" on **March 9-12, 2021**. The event will have over 200 Indian IT SMEs showcasing their innovative services and solutions in different verticals to meet with over 1000 buyers from across the globe.

2. The 21st edition of the Event, being the first Virtual Event, is expected to attract larger participation from Global Buyers. The Virtual edition will provide an excellent opportunity to not only interact with Indian IT SMEs but also to network and connect with over 1000 visiting buyers from 70+ countries covering major markets.

3. **Indiasoft 2021** will focus on new and innovative technologies and solutions from over 200 Indian companies from various important clusters of India participating at the event. The Indian IT companies will be showcasing world class software, solutions and services in various IT verticals including Customized Software Development, Artificial Intelligence (AI), AR/VR, Cyber Security, Cloud Computing, Blockchain, FinTech, Web & Mobile Application Development / Automation / Embedded Systems/ Digitization, Gaming & Animation etc. Further updates on the events will be updated regularly on the event website – www.indiasoft.org

4. In this regard, we would like to request the support from your esteemed organization to kindly disseminate the information on **INDIASOFT 2021: International IT Exhibition & Conference** to your member companies for participation. A flyer about the event is attached herewith. Interested companies may register online at the given link below:-
