India Electronics Expo
New Delhi
(17-19 January 2024)

We are pleased to inform that Electronics and Computer Software Export Promotion Council, supported by the Ministry of Commerce & Industry, Government of India, will be organizing the 9th edition of India Electronics Expo in New Delhi from 17-19 January 2024.

India Electronics Expo is a leading electronics trade show in India, and it is co-located with other shows namely Convergence India and Indiasoft. India Electronics Expo serves as a vital platform for Global companies to showcase their cutting-edge products and services to international clientele. With a focus on fostering global market exposure, this event opens up endless possibilities for business partnerships and collaborations. India's top electronics products and IoT companies will also be displaying their products, capabilities, and innovations being made in India in the electronics and IoT sector. This event is expected to attract over 50,000 visitors from Indian and over 800 delegates from over 50 countries. The delegates would be able to meet with potential buyers, learn about the latest trends in the electronics industry, and network with other industry professionals.

Assistance under Hosted Buyers Program is also available for qualified eligible delegates with recurring business sourcing needs in the Electronics and IT sectors.

Full details of the event are available at the event website
